**EXECUTIVE
OFFICER/APCO**

The notice required by BAAQMD Regulation 2-6-415 was sent on July 12, 2004. The purpose of the reopening is to respond to EPA's order dated May 25, 2004, add two engines and a cooling tower to the permit, and to incorporate other changes and corrections.

The District is inviting public comment on the proposed permit as to the issues identified in EPA's order, as well as any proposed changes. The notice inviting written public comment will be published in the Contra Costa Times. The final date for comments is September 20, 2004. The District is also sending this permit to EPA for review today.

Enclosed for your information are copies of the proposed permit and the evaluation report/statements of basis. If you have any questions regarding this project, please call Steve A. Hill, Permit Evaluation Manager, at (415) 749-4673, fax (415) 749-5030.

Sincerely,

Jack P. Broadbent
Executive Officer/Air Pollution Control Officer
