CONTRA COSTA COUNTY

Mark DeSaulnier
Mark Ross
Gayle Uilkema
(Secretary)

The District proposed a reopening of the MFR permit for this facility on August 12, 2004. The purpose of the reopening was to respond to EPA's order dated May 25, 2004, add two engines and the cooling tower to the permit, and to incorporate other changes and corrections.

No comments were received from EPA. Comments were received from the public. The District has not modified the permit in response to comments. A response to the comments has been prepared and is attached.

MARIN COUNTY

Harold C. Brown, Jr.

The District has decided to issue the permit. Copies of the final revised permit, the comments, and the response to comments are enclosed. If you have any questions regarding this permit, please call Steve A Hill, Air Quality Engineering Manager, at (415) 749-4673.

Sincerely yours,
