

October 12, 2010

Ms. Deborah Jordan
Director, Air Division
United States Environmental Protection Agency
75 Hawthorne Street
San Francisco, CA 94105

Dear Ms. Jordan:

The District has completed its evaluation of the renewal of the Major Facility Review Permit for the following facility:

Application Number	Facility Number	Facility Name	Address, City	Type of Operation
13852	B1911	C & H Sugar Company Inc.	830 Loring Avenue Crockett, CA 94525	Sugar Manufacturing

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comments will be published in the West Contra Costa Times. The final date to submit comments is November 19, 2010.

The initial Title V permit for this facility was issued on February 8, 2001. Details of the previous revisions can be found in Section X of the permit "Revision History". All changes to the most recent version of the permit are clearly shown in strikeout/underline format.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/Divisions/Engineering/Public-Notices-on-Permits.aspx>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,

Signed by Jeff McKay for Jack P. Broadbent
