Thank you for your comments on the reopening of your Title V permit, dated April 14, 2004. This letter responds to those comments as promised in the permit issuance letter of December 16, 2004.

**MARIN COUNTY**

Harold C. Brown, Jr.

The District made some changes in response to comments. The details are in the final Statement of Basis, finalized on December 16, 2004, and in Attachments A through G to this letter.

**NAPA COUNTY**

Brad Wagenknecht

This letter also responds to comments that did not result in changes to the permit. The response is organized in the same manner as the comments and uses the numbering system in the comments. In Attachments A through F, three columns were added to the right of the tables that you used to organize the comments. The first one is the "District Response." The second one shows whether the comment was also submitted in the comments of September 22, 2003, the comment number, and the response. The third column shows whether the item was included in the appeal of the permit that was submitted after initial issuance of the permit on December 1, 2003. In Attachment G, only a "District Response" column was added.
