The District made some changes in response to comments. The details are in the final Statement of Basis, finalized on December 16, 2004, and in the attachment to this letter.

This letter also responds to comments that did not result in changes to the permit. The response is organized in the same manner as the comments and uses the numbering system in the comments. The comments are incorporated into the response. The comments may be found on the District's website.

The facility also submitted a second set of comments dated April 14, 2004 with a request that we address the second set during the next reopening.

If you have any questions regarding this letter, please call Steve A Hill, Air Quality Engineering Manager, at (415) 749-4673.

Sincerely yours,

Signed by Jack P. Broadbent
