The District received comments on the proposed initial permit from Mr. Robert Sarvey and from the Wild Equity Institute.

In response to those comments, the District removed the word "voluntary" from the basis of the permit conditions imposed under the consent decree to avoid any confusion because these conditions are considered applicable requirements under the Title V permit program.

The final permit and the District public comment response letters can be viewed and/or downloaded on the BAAQMD website at the following address:
<http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Dennis Jang, Senior Air Quality Engineering, at (415) 749-4707.

Sincerely yours,
