Public Workshop: CEQA Guidelines Update

We need your input!

The Bay Area Air Quality Management District is updating its CEQA Guidelines and is seeking your input.

Please join us at an upcoming workshop to:

- Review staff recommended new or revised significance thresholds being considered for criteria pollutants, toxics, odors, and greenhouse gas emissions.
- Review proposed assessment methodologies and mitigation strategies.
- Discuss next steps and schedule.

Tuesday, September 8, 2009, 1:00pm - 3:00pm
Redwood City Public Library, 2nd Floor Community Room
1044 Middlefield Road, Redwood City, 94063

Wednesday, September 9, 2009, 10:00am - 12:00pm
Santa Rosa City Hall, Council Chambers
100 Santa Rosa Avenue, Santa Rosa, 95404

Thursday, September 10, 2009, 1:00pm - 3:00pm
Oakland Main Library, West Auditorium
125 14th Street, Oakland, 94612

Take transit! Call 511 or visit 511.org for transit information.

The CEQA Guidelines update will address the following:

- Provide guidance to lead agencies, consultants, and stakeholders in evaluating air quality impacts and assessing mitigation measures for proposed projects and plans in the Bay Area.
- Review, revise, and develop significance thresholds for criteria pollutants and their precursors, toxic air contaminants, odors, and greenhouse gas emissions.
- Update assessment methodologies and mitigation strategies.

Visit our website for more information and to review documents prior to the workshops:
