DISTRICT

# Public Workshop: CEQA Guidelines Update

## We need your input!

The Bay Area Air Quality Management District is updating its CEQA Guidelines and is seeking your input.

Please join us at an upcoming workshop to:

- Review staff recommended new or revised significance thresholds being considered for criteria pollutants, toxics, odors, and greenhouse gas emissions.
- Review proposed assessment methodologies and mitigation strategies.
- Discuss next steps and schedule.

## New Workshop Scheduled:

**Friday, October 2, 2009**

**10:00am - 12:00pm**

**Sunnyvale City Hall, Council Chambers**

**456 W. Olive Avenue, Sunnyvale, 94086**

**Take transit!** Call 511 or visit 511.org for transit information.

This workshop is part of the CEQA Guidelines workshop series held Sept. 8-10, in Redwood City, Santa Rosa, and Oakland.

**Comment due date extended to October 9, 2009.**

## The CEQA Guidelines update will address the following:

- Provide guidance to lead agencies, consultants, and stakeholders in evaluating air quality impacts and assessing mitigation measures for proposed projects and plans in the Bay Area.
- Review, revise, and develop significance thresholds for criteria pollutants and their precursors, toxic air contaminants, odors, and greenhouse gas emissions.
- Update assessment methodologies and mitigation strategies.

## Visit our website for more information and to review documents prior to the workshops:
