Public Workshop

Proposed Amendments to Regulation 2: Permits

*Rule 1: General Requirements, Rule 2: New Source Review,
Rule 4: Emissions Banking and Rule 6: Major Facility Review*

Thursday, February 22, 2012

**7th Floor Board Room, BAAQMD Headquarters
939 Ellis Street, San Francisco**

9:30 am – 10:00 am Informal Open House
10:00 am – 10:45 am Presentation
10:45 am – 12:00 pm Questions and Answers

The proposed amendments are intended to:

- Incorporate new U.S. EPA requirements for particulate matter less than 2.5 micrometers (PM_{2.5}) and Greenhouse Gases (GHG) in New Source Review (NSR) and Title V permitting
- Help the District obtain an EPA-approved Prevention of Significant Deterioration (PSD) permitting program
- Increase the clarity and efficacy of the District's NSR and Title V permitting rules
- Implement Best Available Control Technology requirements for PM_{2.5} and public notice and comment requirements for NSR permits at more stringent levels than required by EPA
