

BAY AREA AIR QUALITY MANAGEMENT DISTRICT

# FUNDING PROGRAMS

## FOR RESIDENTS:

**Old Vehicle Recycling** – Funding in exchange for scrapping an older passenger car or light-duty truck. Vehicle Buy Back, [www.baaqmd.gov/VBB](http://www.baaqmd.gov/VBB)

**Fireplace Replacement or Removal** – Grants for homeowners to remove and replace their wood-burning heating devices with cleaner options. Wood Smoke Reduction Incentive Program, [www.baaqmd.gov/WoodSmokeGrant](http://www.baaqmd.gov/WoodSmokeGrant)

**Coming Soon... Clean Transportation for Low-income Households** – Low-income families can scrap an old vehicle and get a grant to reduce the cost of an electric vehicle, hybrid, plug-in hybrid, or a Clipper Card. Clean Cars for All, [www.baaqmd.gov/CleanCarsforAll](http://www.baaqmd.gov/CleanCarsforAll)

## FOR PUBLIC AGENCIES AND BUSINESSES:

**Electric Vehicle Charging Stations** – Grants for the purchase and installation of publicly accessible electric vehicle charging stations. Charge! Program, [www.baaqmd.gov/Charge](http://www.baaqmd.gov/Charge)

**Microtransit** – Grants for demonstration of microtransit solutions that provide first- and last-mile connections to mass transit in the Bay Area. Pilot Trip Reduction Program, [www.baaqmd.gov/PTR](http://www.baaqmd.gov/PTR)

**Zero-Emission Vehicle Fleets** – Grants for new or leased light and medium-duty zero-emission vehicles (ZEV) and ZEV motorcycles. Clean Fleets Program, [www.baaqmd.gov/CleanFleets](http://www.baaqmd.gov/CleanFleets)

## **FOR PUBLIC AGENCIES AND BUSINESSES CONTINUED:**

**Greenhouse Gas Technologies** – Loans or loan guarantees for Bay Area municipalities, schools, hospitals, and industrial facilities to adopt emerging technologies that reduce greenhouse gas emissions. Climate Tech Finance, [www.baaqmd.gov/CTF](http://www.baaqmd.gov/CTF)

**Diesel Engines** – Grants to replace on- and off-road diesel engines in communities along the 80/880 freeways and along the refinery corridors from Vallejo/Rodeo to Pittsburg. Community Health Protection Grant Program, [www.baaqmd.gov/AB617grants](http://www.baaqmd.gov/AB617grants).

Grants to upgrade or replace on-road vehicles, school buses, transit buses, off-road and agricultural equipment, marine equipment and locomotives. Carl Moyer Program, [www.baaqmd.gov/Moyer](http://www.baaqmd.gov/Moyer)

**Engine Repower or Replacement** – Grants for engine replacement, repower or electric conversion, natural gas tank replacement, and electric charging and fueling infrastructure projects. School Bus Replacement, Engine Repower or Retrofit and Infrastructure, [www.baaqmd.gov/LESBP](http://www.baaqmd.gov/LESBP)

**West Oakland Vehicles & Equipment** – Grants for new zero-emission vehicles, infrastructure, and equipment in and around the West Oakland community. West Oakland Zero-Emission Grant Program, [www.baaqmd.gov/WestOaklandZEV](http://www.baaqmd.gov/WestOaklandZEV)

**Coming Soon... Funding for Zero-NOx Vehicles and Equipment** – Grants for trucks, buses, forklifts, and port cargo handling equipment, marine vessels, and locomotives to mitigate the excess NOx emissions.
