Goods Movement Program (GMP) -- Diesel-powered Trucks
Bay Area Air Quality Management Program (BAAQMD)

Dear Applicant:

You have not attached the required documents to your application file. If you are unable to attach documentation electronically to your online application, you must complete the form below, and submit it with the required support documentation to the GMP program staff. A complete list of required support documentation is listed on the "attach documents" section of your online application.

Delivery Options if you are not attaching electronic documents to your online application during your first session:

Documents can be submitted to GMP program staff by:

1. Attaching documentation electronically to your online application at a later date by signing into your online application again, navigating to the "attach documents section" and following the upload instructions.

2. Mailing the required documents to the GMP Program Office at:
   GMP/BAAQMD
   939 Ellis Street
   San Francisco, CA 94109

3. Emailing PDF or similar scanned attachments to grants@baaqmd.gov and using the Subject Line: "Attachments for GMP Project"

4. Faxing the materials along with the required form below to: 415-749-5020

To assist Program Office staff to match the materials you are sending with the correct truck/s, if you are mailing, emailing or faxing materials to the GMP Program Office, the form below must be attached as a cover sheet:
