

BAAQMD FARMER Zero-emission Mobile Agricultural Equipment Demonstration Program - Voluntary matrix of Interested Partners

This document is a voluntary interested participant matrix designed to help with the coordination of applications/ projects. Interested parties (technology providers, agricultural operators, etc.) looking for project partners can be added to this list by emailing afournier@baaqmd.gov with a request to be added and authorization to share their contact information. We'll update this list as we get new requests.

Applications submitted must be dispatched with enough time to be received by the Air District no later than **3:00 p.m. (Pacific Time) on April 15, 2020** (delivery service provider tracking number may be used to verify date of receipt) to the address below. Do not send hard copies through mail services that require a delivery signature to be received to prevent undeliverable mail and returned packages. Applicants are also encouraged to submit an electronic copy of their complete application. Applications received after April 15, 2020 may be rejected and not scored. All applications must be mailed to the following address: **Bay Area Air Quality Management District, Strategic Incentives Division, Attention: Anthony Fournier, FARMER DEMO, 375 Beale St., Suite 600 San Francisco, CA 94105**

4/6/2020 Update - Submittal flexibility due to COVID-19 restrictions. All applicants must submit hard copies of their applications. **Do not send hard copies through mail services that require a delivery signature to be received to prevent undeliverable mail and returned packages. Applicants are also encouraged to submit an electronic copy of their complete application.** In cases where email and hard copies are submitted, we will use the receipt of the email application as the official receipt date. In this case the hard copy must be postmarked by 3:00 pm on April 15, 2020. Email applications must be sent to Anthony Fournier at afournier@baaqmd.gov by 3:00 pm on April 15, 2020. Please use the email subject line text: Application Submittal Zero-Emission Mobile Agricultural Equipment Demonstration Program. The application submittal deadline has not been changed.
