(Amended 10/21/15)

6-3-110 Limited Exemption, Sole Source of Heat: Until October 31, 2016, the requirements of Section 6-3-301 shall not apply to any person whose sole source of heat is a wood-burning device.

110.1 Effective November 1, 2016, the requirements of Section 6-3-301 shall not apply to any person whose sole source of heat is an EPA certified wood-burning device that is registered with the District per the requirements of Sections 6-3-404 and 405 and who does not have available to them a permanently-installed natural gas, propane or electric heating device. Qualification for exemption is subject to verification.

110.2 Effective November 1, 2018, rental properties subject to Section 6-3-305 located in areas with natural gas service no longer qualify for exemption in Section 6-3-110.1.
