

# AB 617 COMMUNITY HEALTH PROTECTION PROGRAM PUBLIC WORKSHOPS

## AB 617 Overview

The Air District's Community Health Protection Program is working with Bay Area communities to implement Assembly Bill 617. This collaborative initiative between the Air District, Air Resources Board and communities will employ proven and innovative strategies to reduce exposure to air pollution in the region's most impacted neighborhoods.

## Purpose of the Workshop

**Learn** about new grant funds to reduce emissions from mobile sources of pollution in the communities most impacted.

**Hear** the latest about Assembly Bill 617 and progress toward identifying priority communities.

**Ask** questions, provide input and get involved in the process. Expertise and insights about your community are important.
