Meet & Greet with the Air District's Compliance and Enforcement (Bayview Hunters Point)

Thank you for joining us. We will begin at 6:00 pm.

Until then, please familiarize yourself with the following Zoom features:

Note: The Air District will be recording this workshop

Mute/Unmute
Please mute yourself when not speaking

Video

Participants

- See others
- Rename yourself (Name and Group/Agency Affiliation if applicable)
- Raise hand

Chat
To provide questions and or comments when chat is enabled

Reactions

- Raise hand
- give thumbs up
- applaud

If you need technical assistance at any time during this workshop, please call or text **(415) 604-1405**

Meet & Greet with the Air District's Compliance and Enforcement (Bayview Hunters Point)

Thursday, March 30, 2023

Note: The Air District will be recording this public workshop

The diagram illustrates the Zoom mobile app interface. At the top, a slide titled "How to Use zoom Video Conferencing" is shown. Below it, the Zoom control bar includes icons for Unmute, Start Video, Participants (1), Chat, Reactions, and More. A callout box for "Reactions" is shown in detail, featuring a "Raise Hand" button circled in orange, along with other reaction options like thumbs up, heart, and emojis. Below the control bar, five callout boxes provide instructions for each feature: Mute/Unmute, Video, Participants, Chat, and Reactions.

Agenda

- 1**  **Zoom Poll**
- 2**  **Opening Remarks**
- 3**  **Update on AB617 CERP Process**
- 4**  **Key Facilities Update**
- 5**  **Compliance and Enforcement Presentation**
- 6**  **Questions and Concerns**
- 7**  **Community Engaged Enforcement**

Zoom Poll

What perspective do you bring tonight?

What is your relationship to the Bayview Hunters Point neighborhood?

Have you attended a public workshop or meeting hosted by BAAQMD before?

What interests you most about tonight's meeting?

Welcome and Opening Remarks

Ken Szutu

Community Advisory Council Member
Bay Area Air Quality Management District

Update on AB617 CERP Process

Daniel Madrigal

Senior Staff Specialist, Community Engagement
Bay Area Air Quality Management District

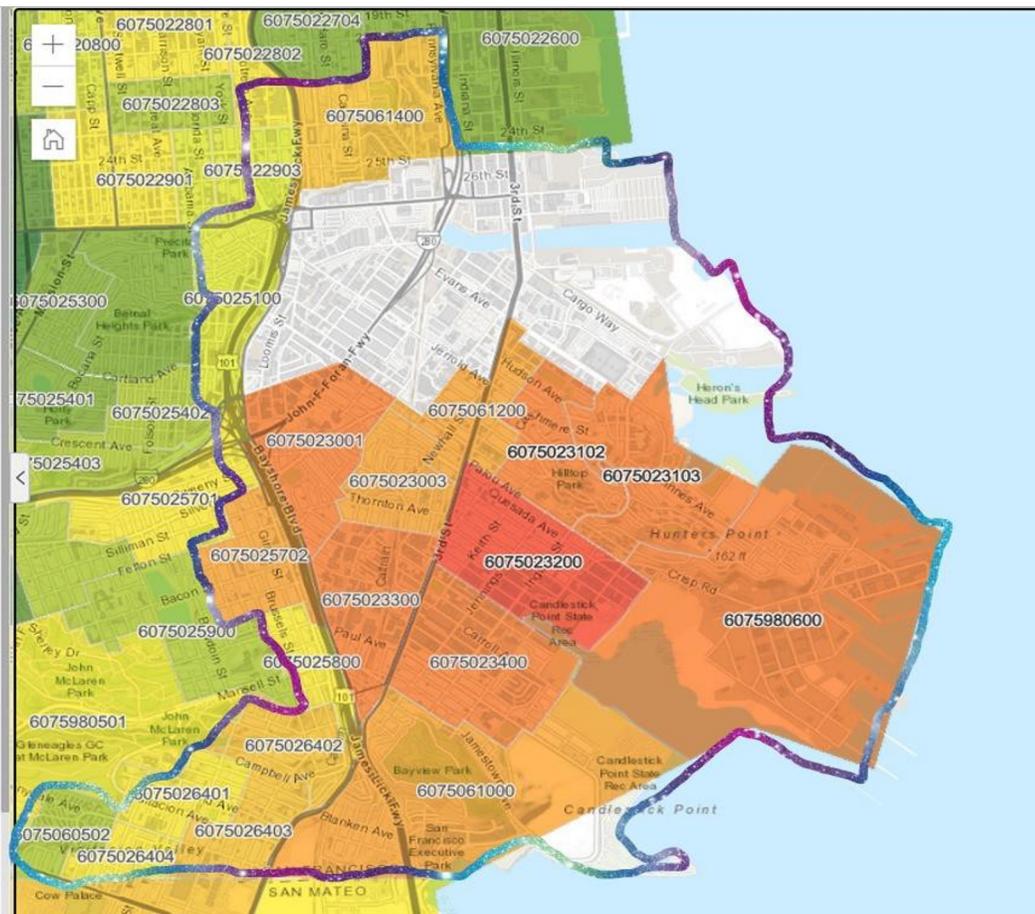

NEW!! Bayview Hunters Point/ SE San Francisco AB617 Community Emissions Reduction Planning 2023-2024 Now Underway!

Preliminary Community CERP Boundaries

- Based on State environmental indicator maps, we have identified 17 census tracts in and around BVHP for a proposed preliminary CERP boundary

CalEnviroScreen (CES) 4.0 Map of disadvantaged census tracts

Bayview Hunters Point/Southeast San Francisco

There are, approximately, over 81 permitted facilities in the preliminary boundary area (and an undisclosed number of hidden hazards) unpermitted sources).

Community Air Protection Program (AB 617):

- Community-focused
- Reduce cumulative air pollution exposure

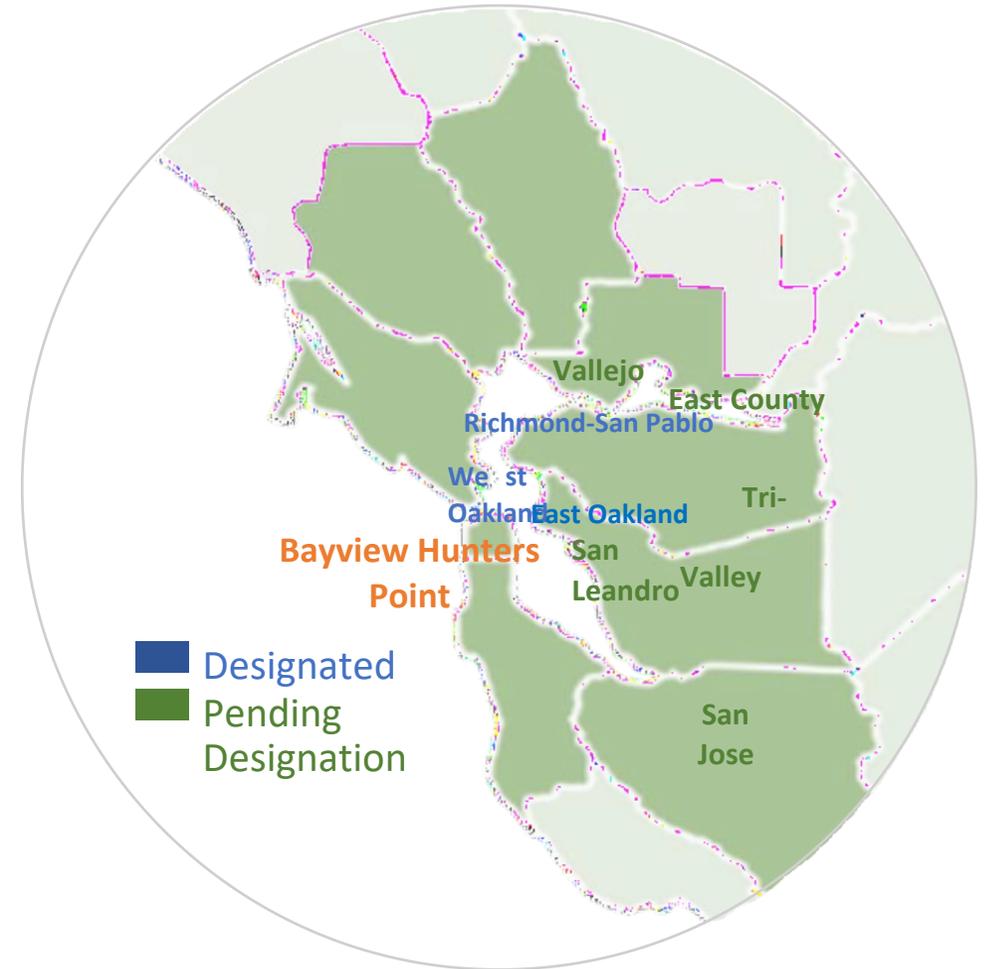

Community-Led Planning – Get Involved!

- BVHP/SE San Francisco is now the fourth area in the region to undertake a formal Community Emission Reduction Plan (CERP) process under AB 617.
- This CERP effort will be led by two community “co-lead” organizations and guided by a representative Community Steering Committee
- **Applications are now open for the Community Steering Committee! Go to:**

<https://www.baaqmd.gov/community-health/community-health-protection-program>

- The planning process will be for one to two years and involve the development of specific air pollution reduction strategies and implementations (esp. for cancer risk from toxic air contaminants, impacts from PM 2.5 and Diesel pollutants)

AB617 Community Co-Leads and Partners

- Ariann Harrison – **Marie Harrison Community Foundation**
- Michelle Pierce – **Bayview Hunters Point Community Advocates**
- Michelle Byars – **California Air Resources Board**

- **Please contact us for questions or how to get involved:**
 - Daniel Madrigal, Air District, dmadrigal@baaqmd.gov
 - David Ralston, Air District, dralston@baaqmd.gov

Thank You!

Key Facilities Update

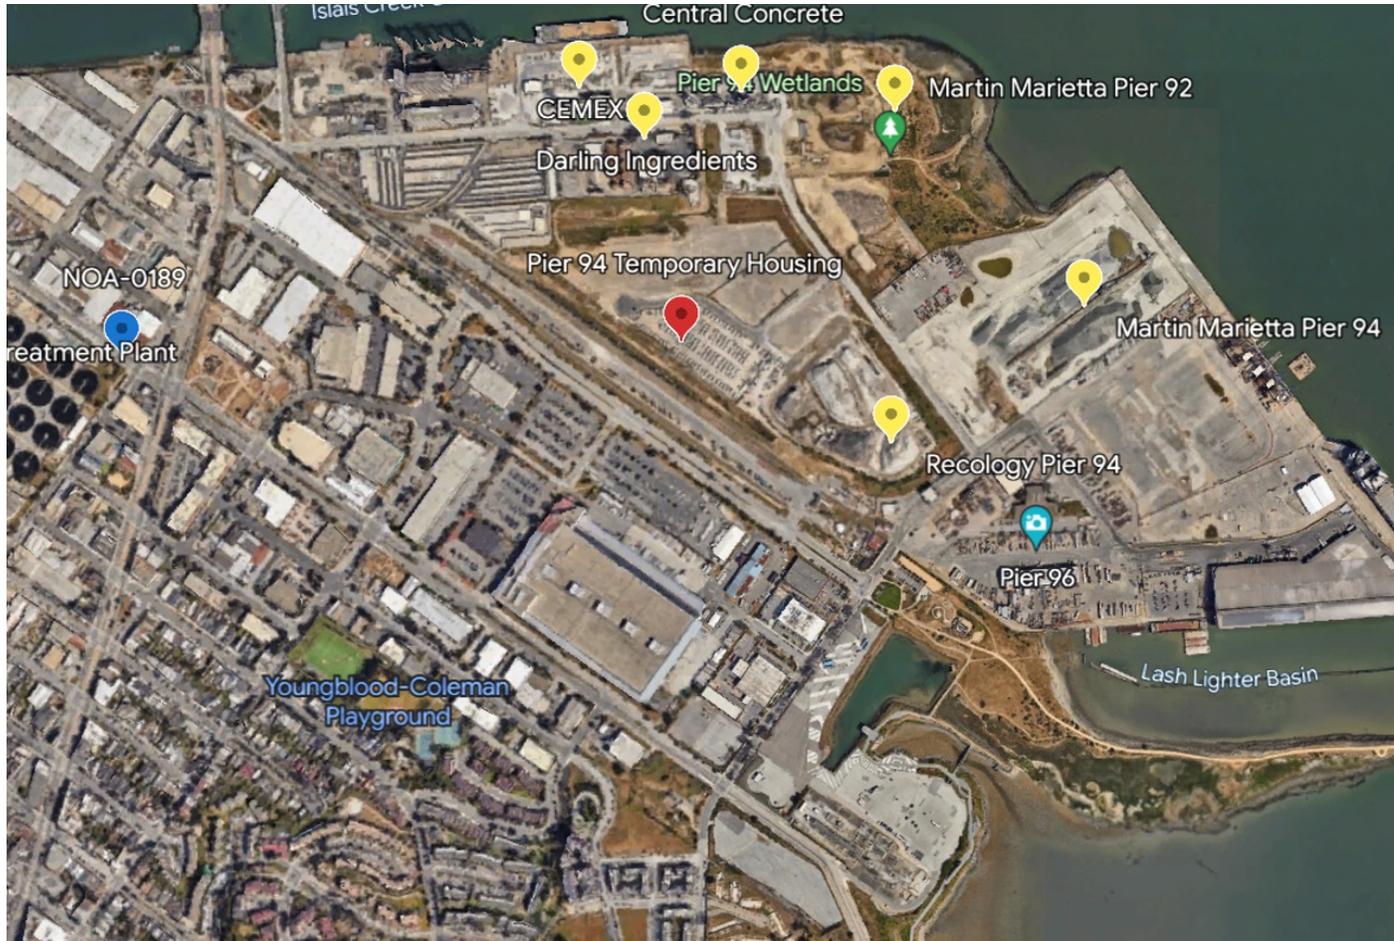

Simrun Dhoot

Supervising Air Quality Engineer

Bay Area Air Quality Management District

Ongoing Work – CEQA Review

Recology

- Halted crushing operations 2021
- **Termination and Closure Agreement finalized March 2023**

CEMEX

- Application to increase sand/aggregate brought by barge
- **Undergoing CEQA review**

Martin Marietta Pier 92 & 94

- Application to permit facilities
- **Undergoing CEQA review**

Ongoing Work – CEQA Review

Lead agency of subsequent environmental analysis of 2001 SEIR

CEQA analysis of CEMEX began September 2022

CEQA analysis of Martin Marietta began December 2022

Status

- Project Description drafted
- Gathering data needed for impact analyses

Opportunities for public comment

- Public scoping meeting
- Public review of draft environmental review document

Compliance and Enforcement Overview

Ying Yu

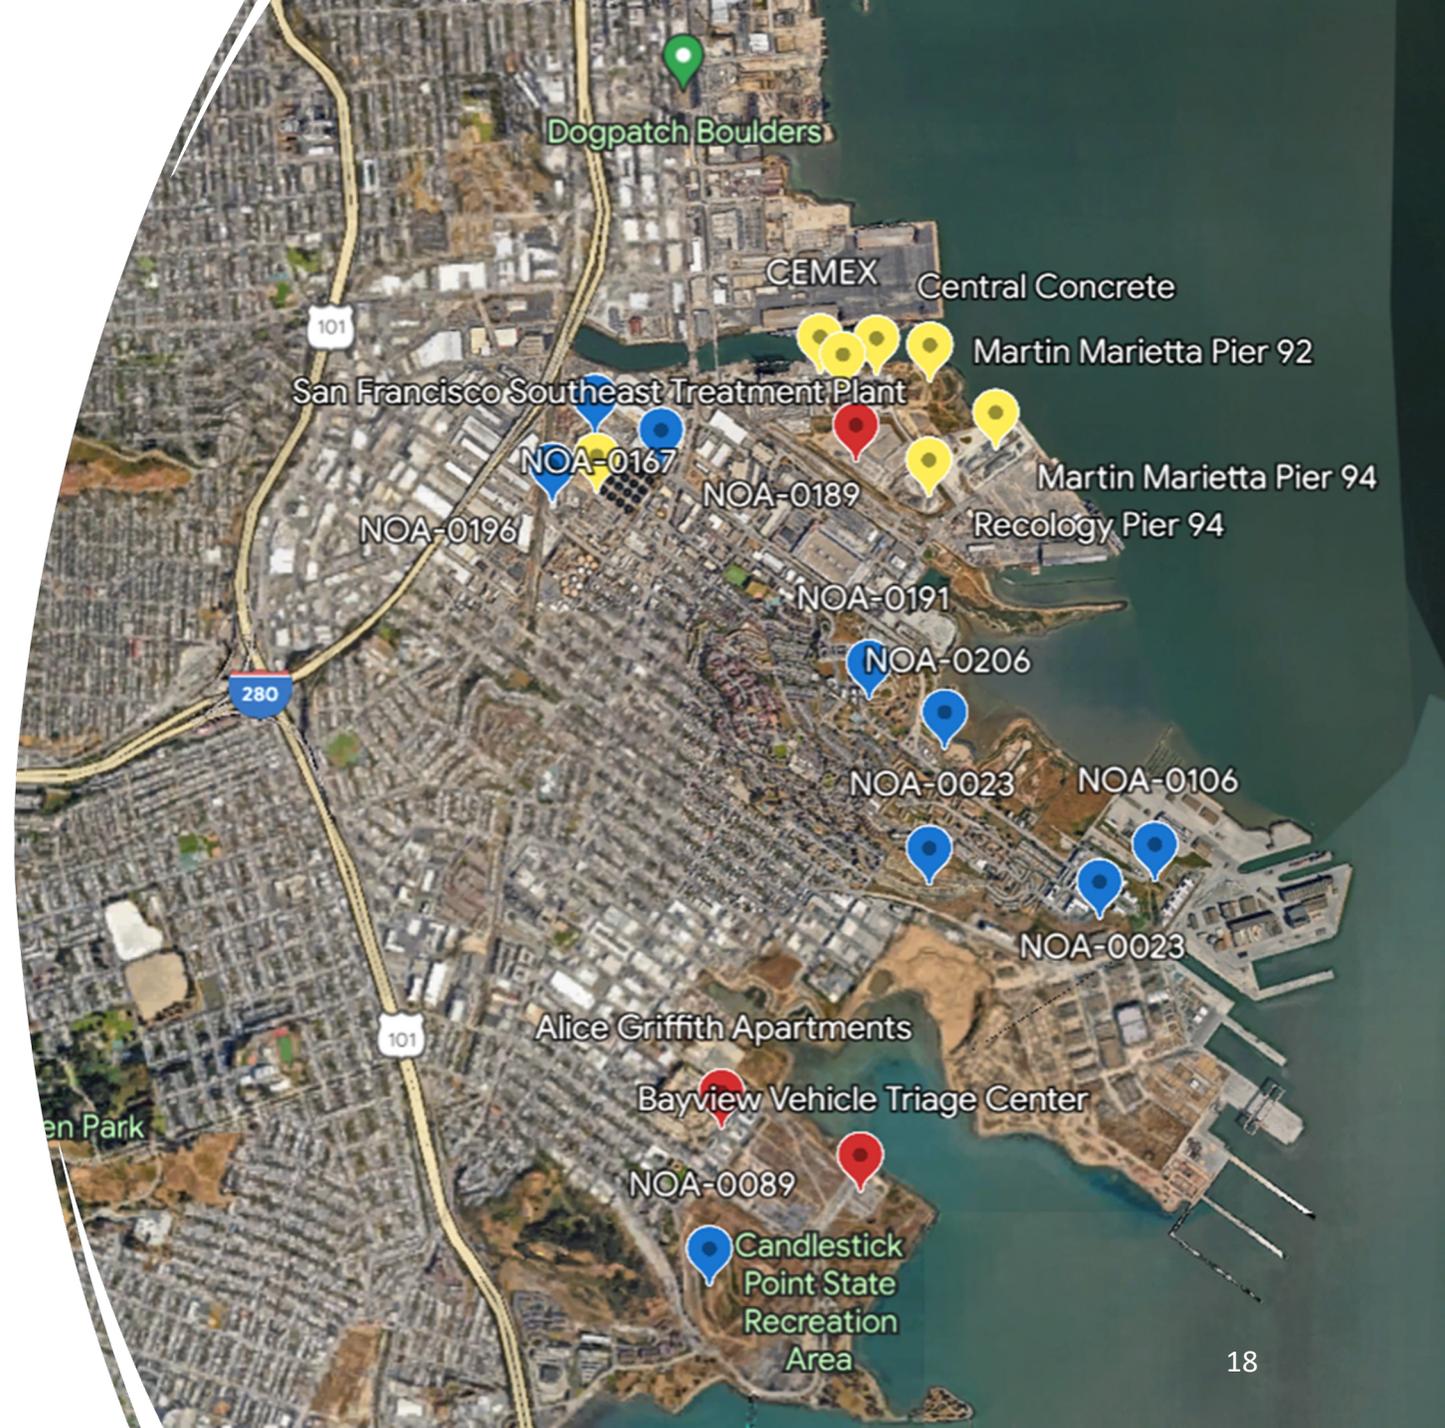

Senior Air Quality Specialist

Bay Area Air Quality Management District

Compliance & Enforcement Overview

- Compliance & Enforcement (C&E) Division Overview
- Core Programs, Projects and Enforcement Activities
- Overview of BVHP Compliance and Enforcement Data

C&E Goals and Objectives

- Ensure compliance with applicable air quality regulations
 - Air District, State and Federal regulations
 - Air District permit requirements
- Inspect and verify compliance for ~24,000 sources across the Bay Area with a focus on Title V major facilities
- Investigate complaints and address community air quality concerns to help reduce emissions at the local level

C&E Division Overview

Field

Operations

- Conduct compliance inspections
- Investigate air quality complaints
- Investigate “self-reported” violations or emissions exceedances
- Conduct audits/investigations that may involve cross-divisional/agency efforts
- Document violations and take appropriate enforcement actions
- Issue Notices of Violation for non-compliance

- Provide compliance assistance to the public, contractors and industry
- Correspond with local agencies and organizations
- Record and track enforcement activities and process all field reports and documentation
- Maintain core programs to ensure compliance goals are met

Sources We Regulate

- Oil refineries
- Chemical plants
- Solid / organic waste facilities
- Wastewater treatment facilities
- Paint / coating operations
- Metal facilities
- Cement & asphalt plants
- Printing operations
- Asbestos
- Gas stations
- Semiconductor operations
- Backup generators

Pollutants We Regulate

- Volatile Organic Compounds (VOCs)
- Hazardous Air Pollutants (HAPs)
- Particulate Matter
- Carbon Monoxide
- Nitrogen Dioxide
- Hydrogen Sulfide
- Sulfur Dioxide
- Toxic Air Contaminants (TACs)

Core Programs

**Compliance
Verification
Inspections**

**Air Quality
Complaints**

**Incident
Response**

Enforcement

**Compliance
Assistance**

Compliance Verification Inspections

- Review site/facility operations for compliance
 - Look for signs for emissions/odors
 - Investigate process upsets/ equipment malfunctions
 - Review records
- Investigate Reportable Compliance Activities (RCAs), flaring events, and Title V deviations
- Identify source specific issues/concerns
- Document violations
- Verify corrective actions

Air Quality Complaints

- Air quality complaints may be reported online at www.baaqmd.gov/complaints or by phone at 1-800-334-ODOR (1-800-334-6367)
 - Complaints may be reported 24/7, including weekends & holidays
 - Complaints may be filed anonymously or with complainant contact information
- Inspectors investigate, trace and identify the source(s) of concern and conduct inspection(s) at the alleged site/facility
- Document compliance concerns and violations
- Coordinate with other regulatory agencies when applicable

Types of Air Quality Complaints:

- Odors
- Dust
- Smoke
- Asbestos
- Gasoline Stations
- Woodsmoke

Enforcement Actions

- Document Violations
 - Notice of Violation (NOV)
 - Excess Emissions
 - Records / Administrative
 - Public Nuisance
 - Notice to Comply (NTC)

- Work with Legal staff on enforcement cases and compliance strategies
 - Abatement Order
 - Variances / Hearing Board

Coordination of Enforcement Activities

- Cross-divisional work within the Air District:
 - Engineering
 - Meteorology and Measurement
 - Legal
 - Communications
 - Community Engagement
- Cross-agency coordination
 - California Air Resources Board (CARB)
 - Environmental Protection Agency (EPA)
 - Local Enforcement Agency (LEA)
 - Department of Toxic Substances and Control (DTSC)
 - Other agencies with regulatory authority and jurisdiction (i.e., Cities and Counties)

Questions and Concerns

What facilities or sources highlighted are of concern to you?

Are there other facilities or sources not highlighted that are of concern to you?

Questions and Concerns

 Please mute yourself when you're not speaking

 Please raise your hand if you wish to speak and wait for the facilitator to call on you

 One person speaks at a time

 Make space for others

 Use the chat

Questions & Concerns

we have 20 minutes for this section

What facilities or sources highlighted are of concern to you?

Are there other facilities or sources not highlighted that are of concern to you?

Other questions, ideas, or concerns:

A screenshot of Zoom meeting controls. The 'Raise Hand' button is circled in orange. Other buttons include 'Chat', 'Reactions', and 'More'. An orange arrow points to the 'Chat' button.

Community Engaged Enforcement

Take a moment and think about....

What does community engagement enforcement mean to you?

How would you like to be involved?

How would you like to see Community Engagement Enforcement happen?

How could it help improve what you've heard about today?

Discussing Community Engaged Enforcement

we have 35 minutes for this discussion
