## 1. Meeting Agenda

- a. Welcome, Discussion Items
  - i. Summary
    1. Welcome and meeting overview by Community Steering Committee (CSC) co-chair Chalam Tubati.
    2. Announcements
      - a. Jessica Range from San Francisco Port announced a Zero Emissions Vehicle Event at Pier 96 on January 22, 2025.
      - b. Daniel Madrigal and Marsha Maloof reminded people in the room that video taping for the Air District's annual video was taking place in the meeting.
      - c. Chalam Tubati announced there would be a mapping update soon.
  - ii. Decisions (if applicable)
    1. N/A
  - iii. Action items/follow-up
    1. N/A
- b. Group Agreements
  - i. Summary
    1. CSC members reviewed a list of group agreements and made suggestions to edit and add agreements.
  - ii. Decisions (if applicable)
    1. CSC members will review the list, and send additional agreements they would like the group to consider to Daniel Madrigal by email.
    2. CSC members will also have the opportunity to add group agreements at the following CSC meeting for members to consider.
  - iii. Action items/follow-up
    1. At the February 18th meeting, CSC members will review and discuss the group agreements.
- c. Extension Letter
  - i. Summary

1. The extension letter has a timeline proposed for a public draft to be ready the 2nd quarter of 2026, with one year for a draft completion of the CERP and some time for public review.
2. Our intent is that a signed extension letter will be sent to CARB by February 23, 2025.
3. CSC members raised concerns about participating in the extension letter writing process.
4. Marie Harrison Community Foundation raised concerns about having input on the letters contents.
- ii. Decisions (if applicable)
  1. Co-leads and CSC members agreed for the letter to be brought to the next meeting with more time to discuss its contents and then propose a motion.
- iii. Action items/follow-up
  1. The Air District will send a final version of the extension letter to CSC members so they can review it and bring questions to the next meeting.
- d. Reflection Activity on Meetings #1-11
  - i. Summary
    1. CSC members joined small breakout groups to discuss key takeaways and remaining questions from meetings in 2024.
    2. Takeaways and questions were around collaboration, policy and enforcement, education and training, environmental and health concerns, mapping and data, and the CERP process.
  - ii. Decisions (if applicable)
    1. N/A
  - iii. Action items/follow up
    1. The Air District will review the group's notes and use the information to shape the roadmap and timeline for future meetings.
    2. The next meeting will be used to dive deeper into subject areas.
- e. Wrap-up and Next Steps
  - i. Participants shared additional comments/questions regarding the reflection activity.

## **2. Questions from CSC members**

- a. Questions from the activity were captured by note-takers in each group and will be re-visited at next month's meeting.

## **3. Topics for future meetings**

- a. Continuation of health presentations
- b. More presentations from San Francisco Public Utilities Commission (SFPUC)
- c. Updates from the Sources, Emissions, and Data Gaps Sub-Committee (SEDG)
