

West Oakland Community Meeting

The California Air Resources Board (CARB), the West Oakland Environmental Indicators Project (WOEIP), and the Bay Area Air Quality Management District invite you to join us at a special community steering committee meeting in West Oakland about "**Owning Our Air: The West Oakland Community Action Plan.**" You can ask questions, engage in discussions, and learn more about the *Action Plan* and the Community Air Protection Program.

OCTOBER 9, 2019 6:00 – 8:00 pm

West Oakland Senior Center
1724 Adeline Street, Oakland CA 94607

More Information

Community Air Protection Program. This program focuses on improving public health in communities that experience disproportionate burdens from exposure to air pollutants.

- Visit: <https://ww2.arb.ca.gov/our-work/programs/community-air-protection-program>
- Contact: Monique Davis (at Monique.Davis@arb.ca.gov or 916-322-7304) or Jose Saldana (at Jose.Saldana@arb.ca.gov or 916-327-5630)

Owning Our Air: The West Oakland Community Action Plan
