COMMITTEE REPORT AND RECOMMENDATIONS

5. Report of the Executive Committee Meeting of December 17, 2012
   Chairperson J. Gioia

The Committee met on Monday, December 17, 2012, and approved the minutes of October 22, 2012.

The Committee received from Thomas M. Dailey, M.D., Chairperson of the Hearing Board, the Quarterly Report of the Hearing Board for July through September 2012, including summaries of the cases and fees collected.

The Committee considered the staff presentation on Real Estate Broker Selection for Disposition of 939 Ellis Street, including an update on 390 Main Street building negotiations, request for proposals scope, process and scores, commission fees and recommendation. The committee discussed the need to ensure that the Air District’s obligations to the broker are appropriately limited in the case that the District should withdraw from the marketing process following the listing. The Committee recommends the Board authorize the Executive Officer/APCO to enter into a contract with Cassidy Turley, including contingencies for withdrawal from the offer process, to develop marketing strategies for disposition of 939 Ellis Street.

The Committee considered the staff presentation to Authorize Additional Funding for Web Site and Production System Integration, including progress to date, next steps, direction for 2013, resources needed and recommendations. The Committee recommends the Board authorize the Executive Officer/APCO to amend the existing contract with Lightmaker, Inc., by $120,000, increase the Information Services fiscal year 2012 – 2013 budget by $200,000, and authorize the Executive Officer/APCO to enter into contracts for services not to exceed $200,000, with IntelliBridge Partners, Inc.

The Committee received the staff presentation on the Regional Plug-in Electric Vehicle Plan, including an overview of the key elements required by the United States Department of Energy grant which funded the plan, a summary of local government readiness findings, the regional siting analysis for public charging, implementation actions to be undertaken by regional agencies and next steps.
The next meeting of the Committee is in January 2013, at the call of the Chair.

Board Comments: None.

Public Comments: None.

Board Action: Chairperson Gioia made a motion to approve the report and recommendations of the Executive Committee; Director Wagenknecht seconded; and the motion was unanimously approved without objection.

PUBLIC HEARING

6. Continuation of the Public Hearing to Consider Adoption of Proposed Amendments to Air District New Source Review (NSR) and Title V Permitting Regulations (Regulation 2, Rules 1, 2, 4 and 6) and Adoption of a California Environmental Quality Act (CEQA) Environmental Impact Report (EIR)

Mr. Broadbent introduced Alexander Crockett, Assistant Counsel of Counsel’s Office, who gave the staff presentation Updates to BAAQMD New Source Review and Title V Permitting Programs, Proposed Amendments to Regulation 2 - Rules 1, 2, 4, and 6, including a summary of existing permitting programs, regulatory developments, proposed amendments, public outreach and significant input, EIR, proposed effective date and proposed resolution.

Board Comments:

Director Ross asked about the nature and resolution of concerns expressed by Valero Refining, which questions were answered by Mr. Crockett.

Director Hudson asked about the phrase “except greenhouse gases” in slide #25, Clarification that 5 tons per year Exemption Backstop Does Not Apply to Greenhouse Gases (GHGs), and the interplay between facility size and emission levels, which questions were answered by Mr. Crockett.

Public Comments:

Bill Quinn, Vice President, California Council for Environmental and Economic Balance, addressed the Board in support of the proposal despite standing concerns about the definition of “modification,” the non-attainment modeling test requirements and concerns about the permitting process.

Guy Bjerke, Manager, Bay Area Region & State Safety Issues, Western States Petroleum Association, echoed the comments of Mr. Quinn and expressed his additional concern regarding potential impacts to energy efficiency projects.

Board Action: Director Wagenknecht made a motion, seconded by Director Groom, to:

1. Adopt amendments to the Air District’s NSR and Title V permitting programs, as set forth in the Regulation 2, Rule 1 (Permits, General Requirements), Regulation 2, Rule 2 (Permits, New Source Review), and Regulation 2, Rule 6 (Permits, Major Facility Review), effective upon final United States Environmental Protection Agency (EPA) approval;
2. Adopt amendments to the Air District’s NSR and Title V permitting programs, as set forth in the Regulation 2, Rule 4 (Permits, Emissions Banking), effective immediately;

3. Certify a final EIR for the proposed amendments pursuant to the CEQA; and

4. Resolve to revisit National Ambient Air Quality Standards (NAAQS) Protection Requirement and other Fine Particulate Matter (PM$_{2.5}$) Requirements in the Future.

Director Spering asked about revisiting the rule with respect to the NAAQS, which question was answered by Mr. Broadbent. Mr. Broadbent recommended that updates be presented to the Stationary Source Committee approximately every six months and expressed staff’s shared concern about the effect of the proposal on energy efficiency projects.

Director Spering proposed an amendment to the pending motion to include direction that staff provide periodic updates to the Board or a committee thereof. Director Wagenknecht made a motion to amend the pending motion, seconded by Director Groom, to:

1. Adopt amendments to the Air District’s NSR and Title V permitting programs, as set forth in the Regulation 2, Rule 1 (Permits, General Requirements), Regulation 2, Rule 2 (Permits, New Source Review), and Regulation 2, Rule 6 (Permits, Major Facility Review), effective upon final EPA approval;

2. Adopt amendments to the Air District’s NSR and Title V permitting programs, as set forth in the Regulation 2, Rule 4 (Permits, Emissions Banking), effective immediately;

3. Certify a final EIR for the proposed amendments pursuant to the CEQA;

4. Resolve to revisit NAAQS Protection Requirement and other PM$_{2.5}$ Requirements in the Future; and

5. Direct staff to periodically present updates to the Board or a committee thereof.

The amended motion was carried unanimously without objection, with Director Adams abstaining.
