#### **DRAFT MINUTES**

Summary of Board of Directors Executive Committee Meeting Monday, February 25, 2013

## 1. Call to Order – Roll Call

Chairperson Ash Kalra called the meeting to order at 9:32 a.m.

Present: Chairperson Ash Kalra; Vice Chairperson Nate Miley; Secretary Carole

Groom; and Directors Tom Bates, John Gioia, Scott Haggerty, Mary Piepho,

Mark Ross and Brad Wagenknecht.

Absent: None.

Also Present: None.

2. **Public Comment Period:** None.

## 3. Approval of the Minutes of December 17, 2012

Committee Comments: None.

Public Comments: None.

<u>Committee Action:</u> Director Ross made a motion to approve the Minutes of December 17, 2012; Director Gioia seconded; and the motion carried unanimously.

## 4. Hearing Board Quarterly Report – October through December 2012

Hearing Board Vice-Chairperson Christian Colline, P.E., presented the quarterly report of the Air District Hearing Board for October through December of 2012.

NOTED PRESENT: Directors Bates and Piepho were noted present at 9:34 a.m.

Committee Comments: None.

Public Comments: None.

Committee Action: None; informational only.

## 5. Consideration of Remote Participation Protocol for Committee Meetings

Jack Broadbent, Executive Officer/Air Pollution Control Officer (APCO), introduced Ana Sandoval, Manager of Executive Operations/Policy Analyst, who gave the staff presentation Remote Participation Protocol for Committee Meetings, including current protocol, a proposal for consideration and next steps.

NOTED PRESENT: Directors Haggerty and Miley were noted present at 9:38 a.m.

Director Gioia asked, regarding slide 5, Committees Eligible for New Protocol, whether the Stationary Source Committee would be included, which question was answered by Ms. Sandoval and Brian Bunger, District Counsel.

Ms. Sandoval concluded the presentation.

## **Committee Comments:**

Director Haggerty suggested that the location of the Committee Chairperson should be part of the discussion and adopted protocol. The Committee discussed the same.

Director Haggerty said Alameda County is ready to participate as a remote location. Chairperson Kalra said the system will be expanded after the launch allows staff to identify and address any issues that may arise.

Director Wagenknecht said Napa County is also ready to participate as a remote location. Chairperson Kalra suggested that all counties within the Air District's jurisdiction will eventually be included.

Director Ross asked why meetings in the seventh floor board room could not be included, which question was answered by Ms. Sandoval. Director Ross and Mr. Bunger discussed the options available and the infrastructure considerations.

Chairperson Kalra expressed his preference that remote locations be in public buildings and Mr. Bunger stated that the Brown Act required it.

Director Gioia said the effort on this protocol is for the benefit of the public, and the Board. The Directors agreed with Chairperson Kalra that remote locations should be public sites and asked whether Board meetings would eventually be included.

Director Bates suggested the Committee members all seem to be in agreement with the initial concept and that expanding the opportunity to all counties is a positive move once Brown Act considerations, costing and other questions have been addressed during the testing phase.

Chairperson Kalra agreed with Director Bates and said including Board meetings may be an option after the Air District relocates to its new facility.

Directors Wagenknecht and Ross asked about the mechanics of remote participation, which questions were answered by Ms. Sandoval.

Chairperson Kalra said much of the logistics will depend upon the sites and those variations are one of the key considerations in choosing to expand the system in stages.

Director Gioia suggested that public outreach regarding these appearance opportunities is necessary and that all meetings should eventually be accessible via remote locations in all counties and Chairperson Kalra agreed.

Director Piepho asked why phone-conferencing and video-conferencing were being treated differently under the protocol. Chairperson Kalra responded that is the case for the launch phase. Staff clarified the direction to them at the present time and the problematic history related to phone-conferencing.

Director Ross urged for a broadening of technology deemed acceptable under the protocol in order to increase accessibility.

Public Comments: None.

## Committee Action:

Director Bates made a motion, seconded by Director Piepho, to recommend the Board of Directors:

- 1. Allow remote participation by committee members for all committee meetings held in the Air District Headquarters 4<sup>th</sup> floor Conference Room at 939 Ellis Street in San Francisco, with the exception of Executive Committee and Personnel Committee meetings;
- 2. The Committee Chair, Vice-Chair or member who will facilitate the meeting must participate in person;
- 3. Any remote participation for committee meetings will occur only via video-conferencing at identified and secured locations; and
- 4. Video-conferencing locations will be made available for committee meetings upon direction of the Executive Officer/Air Pollution Control Officer (APCO) or by request by one or more members of the committee; provided the location(s) is/are available and all legal noticing requirements can be met.

The motion carried unanimously.

## 6. Update on Joint Regional Agency Co-Location at 390 Main Street

Jeff McKay, Deputy APCO, gave the staff presentation 390 Main Acquisition Status and Financing, including overviews of the site location, floor plans and shared space, components for disposition of 939 Ellis, comparisons of the annual costs for each building, a detailed review of the financing principles and next steps.

Draft Minutes – Executive Committee Meeting of February 25, 2013

The Committee discussed slide 8, Floor 2 – Lab, the parking accommodations available to the Board directors and the floor plan for floor 1.

Mr. McKay continued the presentation.

Director Piepho asked, regarding slide 12, Shared Under Condominium Agreement, about the percentage of shared space in the building, which questions were answered by Mr. McKay.

Mr. McKay continued the presentation.

Director Gioia asked, regarding slide 13, Disposition of 939 Ellis, what a potential buyer's use for the building may be and the amount of and method for determining the current value, which questions were answered by Mr. McKay.

Director Ross said staff may want to invest the time and effort to address entitlement issues in order to increase the value of the property, which suggestion was discussed by the Committee and staff. Director Bates asked about the current entitlements, which questions were answered by Mr. Bunger.

Mr. McKay said that a marketing plan will be presented at a future committee meeting that will address many of the topics being discussed. Director Piepho asked that the broker attend said meeting.

Mr. McKay continued the presentation.

Chairperson Kalra asked, regarding slide 16, Building Purchase 390 Main Street February 2013 Assumptions, whether a reserve is necessary, which question was answered by Mr. McKay.

Director Haggerty inquired about the condominium agreement and total square footage, which questions were answered by Messrs. McKay and Bunger.

Chairperson Kalra noted the efficiencies of space that will be gained by the move.

Director Ross noted the significant difference in loadable space and asked about the cost of renting the private space and the details of the common area maintenance for the same, which questions were answered by Messrs. Broadbent and Bunger.

Director Piepho asked about the proportionality of voting rights under the condominium agreement, which questions were answered by Messrs. Bunger and Broadbent.

Chairperson Kalra noted that a direct comparison of annual costs for each building does not give an accurate sense as maintenance at 939 Ellis Street has long been deferred, where possible, in anticipation of the move. Director Bates said it is important to provide the public with more information in this regard and Chairperson Kalra agreed.

Director Bates asked about possible scenarios should 939 Ellis not sell before the scheduled move date, which questions were answered by Mr. McKay.

Draft Minutes – Executive Committee Meeting of February 25, 2013

Mr. McKay continued the presentation.

Director Bates asked, regarding slide 19, BAAQMD 390 Main Financing Principles, if the Air District will end up paying more should interest rates return to their pre-recession levels, which question was answered by Messrs. Bunger and Broadbent.

Mr. McKay continued the presentation.

Director Bates asked, regarding slide 20, Debt Service with Interest Rate Caps in Immediate Effect, for information on the interest rates in the worst-case scenario, which questions were answered by Mr. McKay.

## Committee Comments:

Director Ross asked about fixed-rate loan options, which questions were answered by Mr. Bunger. Director Ross suggested the entitlement process may provide additional money to apply to debt service.

Director Miley asked when the initial \$1.2 million dollar payment is made, under what scenarios staff envision the Air District would not move into 390 Main Street, and for information regarding the timing and expense of the move, which questions were answered by Mr. Bunger.

Director Bates asked if 390 Main Street will provide any room for agency expansion, which question was answered by Messrs. Broadbent, McKay and Bunger.

Public Comments: None.

## Committee Action:

Director Bates made a motion, seconded by Director Wagenknecht, to recommend, with the concurrence of the Budget and Finance Committee, that the Board of Directors authorize the Executive Officer/APCO to complete necessary documents to finance the purchase of the Air District portion of 390 Main Street, San Francisco, CA under the terms of the Principles of Financing presented to the committee.

The motion carried unanimously.

- 7. Committee Member Comments/Other Business: None.
- **8. Time and Place of Next Committee Meeting:** Monday, March 18, 2013, Bay Area Air Quality Management District Office, 939 Ellis Street, San Francisco, CA 94109 at 9:30 a.m.
- **9. Adjournment:** The meeting adjourned at 10: 50 a.m.

## BAY AREA AIR QUALITY MANAGEMENT DISTRICT

Memorandum

To: Chairperson Ash Kalra and Members

of the Executive Committee

From: Chairperson Robert Bornstein and Members

of the Advisory Council

Date: May 8, 2013

Re: Report of the Advisory Council - January through May 2013

## RECOMMENDED ACTION:

None; receive and file.

## **BACKGROUND**

The Advisory Council studies and makes recommendations on specific matters referred from the Board of Directors or the Air Pollution Control Officer. Matters can include technical, social, economic and environmental aspects of air quality issues. For example, in 2004 and 2005, the Advisory Council focused on Climate Change and influenced the Air District's direction in establishing its Climate Protection Program in 2005. Over the last two years, the Advisory Council has focused on ultrafine particulate matter and provided recommendations that were included in the Air District report, *Understanding Particulate Matter; Protecting Public Health in the San Francisco Bay Area (November 2012)*.

The Advisory Council consists of 20 members, representing a variety fields and interests, including public health agencies, conservation organizations, colleges or universities, regional park districts, park and recreation commissions, public mass transportation system, agriculture, industry, community planning, transportation, registered professional engineers, general contractors, architects, and organized labor. A roster of current Advisory Council members is attached for reference.

Council members serve for a term of two years, for a maximum of four terms. Members serve without compensation but are reimbursed for travel related to their duty on the Council.

In an effort to keep the Board of Directors apprised of the activities and progress of the Advisory Council, the Executive Committee will be briefed by the Chair of the Advisory Council on a regular basis. The current report covers Advisory Council activity from January through May 2013.

## **DISCUSSION**

This calendar year, the Advisory Council is focusing on the effects of black carbon on public health and the global climate. Presented below are summaries of the meetings of the Advisory Council thus far in 2013:

- 1. <u>Advisory Council Regular Meeting and Retreat January 9, 2013</u>. The Council reviewed presentations and reports of 2012. The Council discussed plans for the 2013 Advisory Council Meetings including topics and dates. The Council received an overview of Air District activities regarding Black Carbon.
- Advisory Council Regular Meeting February 13, 2013. The Council received and discussed the following presentations on Black Carbon Concepts and Issues, A National Perspective, by Sarah Rizk, of the U.S. Environmental Protection Agency, Region 9 Black Carbon Concepts and Issues from a Statewide Perspective by Bart Croes of the California Air Resources Board.
- 3. <u>Advisory Council Regular Meeting March 13, 2013</u>. The Council discussed their draft report summarizing the February 13, 2013 meeting on Black Carbon.
- 4. <u>Advisory Council Regular Meeting April 10, 2013.</u> The Council finalized their report summarizing the February 13, 2013 meeting on Black Carbon.
- 5. <u>Advisory Council Regular Meeting May 8, 2013.</u> The Council received and discussed the following presentations on Black Carbon Exposure and Mitigation, by Professor V. Ramanathan of the University of California, San Diego and Black Carbon Measurement and Modeling by Professor Robert Harley of the University of California, Berkeley.

Advisory Council Chair, Robert Bornstein will provide an update of the Advisory Council's activities at the Committee meeting.

## BUDGET CONSIDERATION/FINANCIAL IMPACT:

Expenses associated with the administration of the Advisory Council are included in the FYE 2013 Budget under program 123.

of the Executive Committee

From: Jack P. Broadbent

Executive Officer/APCO

Date: May 9, 2013

Re: Discussion on Directors' Obligation to Vote

## **RECOMMENDED ACTION**

None; for discussion only.

## BACKGROUND

During the Legislative Committee meeting of March 14, 2013 and the subsequent Board of Directors Meeting of March 20, 2013, Board Members discussed a provision in the Air District's Administrative Code Operating Policies and Procedures for the Board of Directors regarding Failure to Vote; specifically, Section 5.4 which stated that if a Director remains silent on a voice vote or on a roll call, the Director shall be deemed to have voted with the prevailing side. This position also contained a sentence stating that it was the duty of each member present to vote. Staff was directed to develop an amendment to remove this provision.

Staff developed the requested amendment, and provided advanced notice of its adoption in the April 17, 2013 Board of Directors meeting agenda packet. At their meeting of April 17, 2013, the Board of Directors directed staff to move forward with the amendment removing Section 5.4 and also to agendize a discussion at the next Executive Committee Meeting regarding Directors' obligation to vote and whether a new provision should be added to the Administrative Code to address this topic.

Section 5 of the Administrative Code, as amended on May 1, 2013 by the Board of Directors, is attached for your reference.

## **DISCUSSION**

At your committee meeting members will discuss a Director's obligation to vote.

## **AGENDA: 7 - ATTACHMENT**

(as Amended by the Board of Directors on May 1, 2013)

## SECTION 5 BOARD OF DIRECTORS, VOTING

#### 5.1 VOICE VOTE.

The usual method of taking a vote is by voice; provided, however, that the Chairperson may, and when requested to do so by two (2) Directors, shall, take a vote by roll call.

#### 5.2 ROLL CALL.

All ordinances, rules, regulations or amendments thereto and any matters involving the disbursement of money shall be adopted by roll call, except where a voice vote is declared by the Chairperson to be unanimous, and shall require the affirmative vote of the majority of the

members of the Board. In addition, all proposals to settle any pending litigation in which the District is a defendant in a judicial action, whether approved in open session or in closed session, shall require the affirmative vote of the majority of the members of the Board.

### 5.3 CONFLICT OF INTEREST.

When one or more members determines that participation by the member(s) is prohibited by Section 87100 of the Government Code, because of the member(s') financial interest, the total membership of the Board shall be deemed to be reduced by the number of members prohibited from participation for the purpose of determining the number of affirmative votes required pursuant to Section I-5.2.
