

South Bay Odor Improvements

Board of Directors Meeting September 18, 2019 Jack P. Broadbent

South Bay Odor Improvements

San Jose-Santa Clara Regional Wastewater Facility

- September 2016 San Jose and Newby Island improved odor prevention measures to minimize offsite odor impacts during annual harvesting of biosolids
- Future Improvement Upgrade biosolids management system and operate new mechanical sludge dewatering system in 2022 (estimated timeframe)

Zero Waste Energy Development (ZWED)

- November 2015 Decommissioned compost windrow operation and sent material to Gilroy for processing
- November 2017 Implemented operational changes to flare system to minimize biogas venting and process upsets

South Bay Odor Improvements (cont'd)

Newby Island Material Recovery Facility (MRF)

- March 2016 Made improvements to doors and openings to minimize fugitive emissions
- October 2018 Submitted permit application to enclose and abate operations

Newby Island Landfill

• Since April 2016 – Upgraded gas header and installed additional landfill gas extraction wells, continuing to add gas wells as needed

South Bay Odor Improvements (cont'd)

Newby Island Composting Operation

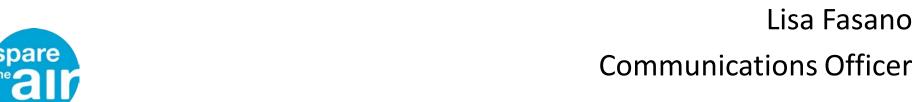

• **January 2018** – Converted compost windrows to covered aerated static piles; green waste and food waste piles were relocated

Other Improvements

- March 2019 San Jose Local Enforcement Agency (LEA) developed new online complaint system and odor hotline; Air District and San Jose LEA made enhancements to share and refer complaint information and enforcement findings
- Ongoing Efforts Partnership with San Jose LEA to conduct joint investigations and inspections

2019 Summer Spare the Air Season **Summary and Winter Spare the Air Season Overview**

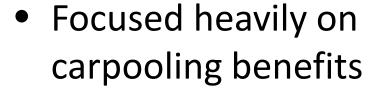

Board of Directors Meeting September 18, 2019

Advertising

 New campaign creative developed in 2019

Life's a trip. Share the ride. SpareTheAir.org

Campaign Highlights

- Ads in six languages:
 - Mandarin, Cantonese, Vietnamese,
 Tagalog, Spanish, and English
- Advertising includes broadcast, cable TV, radio, digital, outdoor, and transit
- 105+ Bay Area events with staff
- Bicycle outreach in 40+ communities

Social Media

"Life's a Trip, Share the Ride" campaign

- Focus on carpooling, teleworking, and transit
- Overall impressions throughout campaign:

Facebook: 1,448,775

Twitter: 568,000

Instagram: 148,094

Social media followers:

– Twitter: 13,200

Facebook: 9,454

Instagram: 1,056

Media Relations

- 12 Spare the Air Alerts called to-date:
 - 80+ Broadcast (Radio and TV) clips
 - 330+ online stories
- Multiple day heatwaves

2019-2020 Winter Spare the Air Campaign Overview

Advertising

IT MAY FEEL COZY, **BUT WOOD SMOKE IS UNHEALTHY TO BREATHE.**

Please don't burn wood this winter. 1-877-4NO-BURN SpareTheAir.org

呼吸燒木材的煙非常不健康。

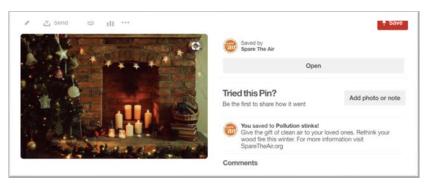

Social Media

- Continue to use social media to educate residents about the benefits of not burning
- Leverage social media to support marketing, advertising, and public relations efforts
- Post images of unused, decorated fireplaces and Spare the Air Alerts

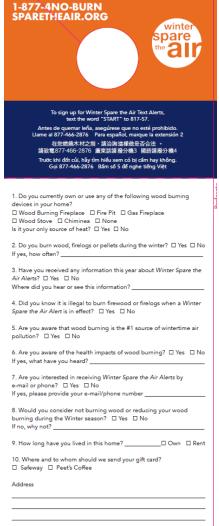

Door-to-Door Outreach

- Door-to-door outreach throughout Bay Area:
 - Napa
 - Menlo Park
 - San Rafael
 - Petaluma
- Door hangers:
 - Lafayette
 - Vallejo
 - San Jose (2)
- All survey respondents receive a \$5 gift card

Wood Smoke Reduction Grant Program Results

- Program launched on August 26, 2016
- To date: approximately 5,200 applications reviewed
 - 1,038 changeouts completed totaling \$2.4 million
 ✓ 882 fireplaces, 156 woodstoves

Project Type	# of projects	
Decommission a Fireplace or Stove	62	
Replace with Natural Gas	927	
Replace with Electric Heat Pump	49	

- 170 projects currently in progress
- Next Step: Return to the Board of Directors with proposal for updated program

Implementing Assembly Bill (AB) 617

Richmond-San Pablo Area

Board of Directors Meeting September 18, 2019

Randy Joseph, RYSE Youth Center Nain Lopez, West County First Five Naama Raz-Yazeef, Resident Willie Robinson, NAACP Richmond Linda Whitmore, Santa Fe Neighborhood Council Kristen Law, Community Engagement Specialist

AB 617 Communities

Year 1:

Richmond-San Pablo: Monitoring Plan

West Oakland: Action Plan

AB 617 Community-Driven Programs

Community Action Plan

- Identify, prioritize, and implement emission and exposure reduction measures
- Must develop and submit emission reduction plan to California Air Resources Board (CARB) one year after the community is selected by CARB

Community Monitoring Plan

- Better understand sources contributing to disparate air quality impacts
- Initial monitoring required to start on July 1, 2019
- No formal requirement for plan submittal timing or approval

Community-Led in Richmond-San Pablo Area

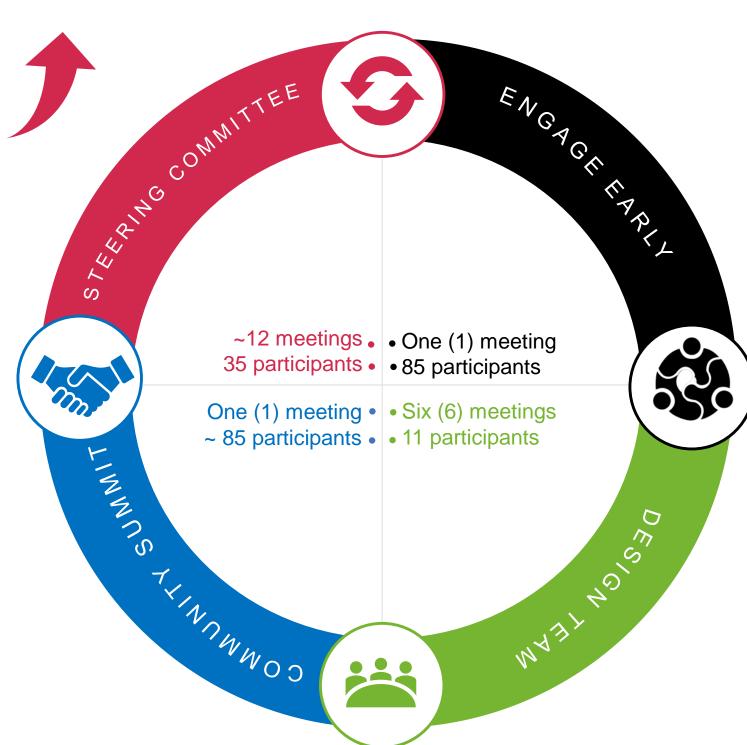

CARRY SUCCESS FORWARD

Co-lead team and Steering Committee will ensure an inclusive, transparent process with shared goals, creating a greater impact.

COMMUNITY SUMMIT

Community-shaped process, including Steering Committee membership and decision-making.

DESIGNED BY COMMUNITY

Community members designed process to build trusting relationships and authentic participation.

DESIGN TEAM

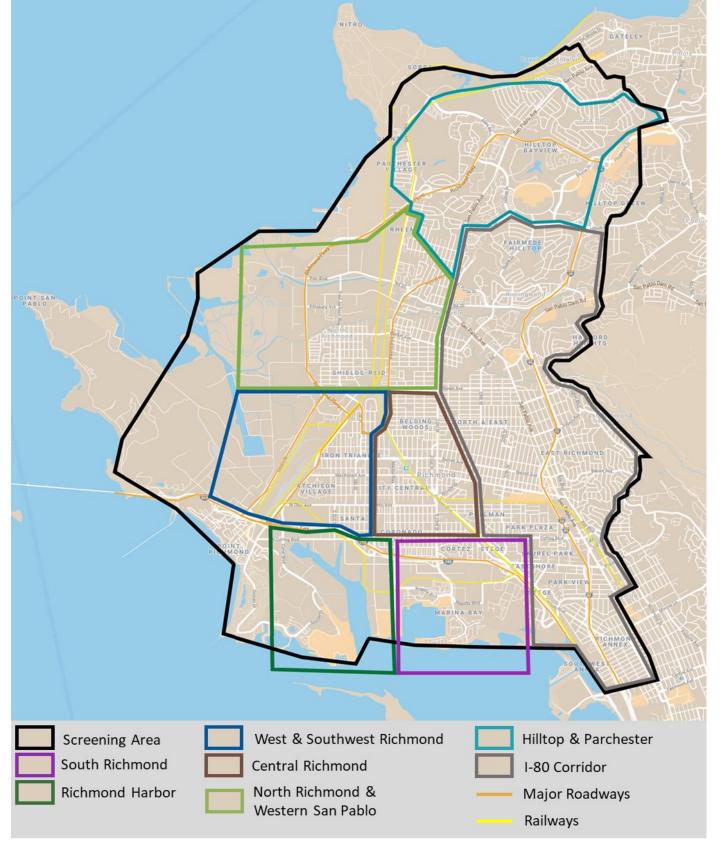

Community planned summit to get input on their design for Steering Committee process.

Discussion of Focus Areas

 Steering Committee identified areas where they had concerns about air quality or pollution sources

 The focus areas shown are a starting point for discussion of potential monitoring studies

Conduct monitoring, analyze and discuss data

Draft Final Monitoring Plan

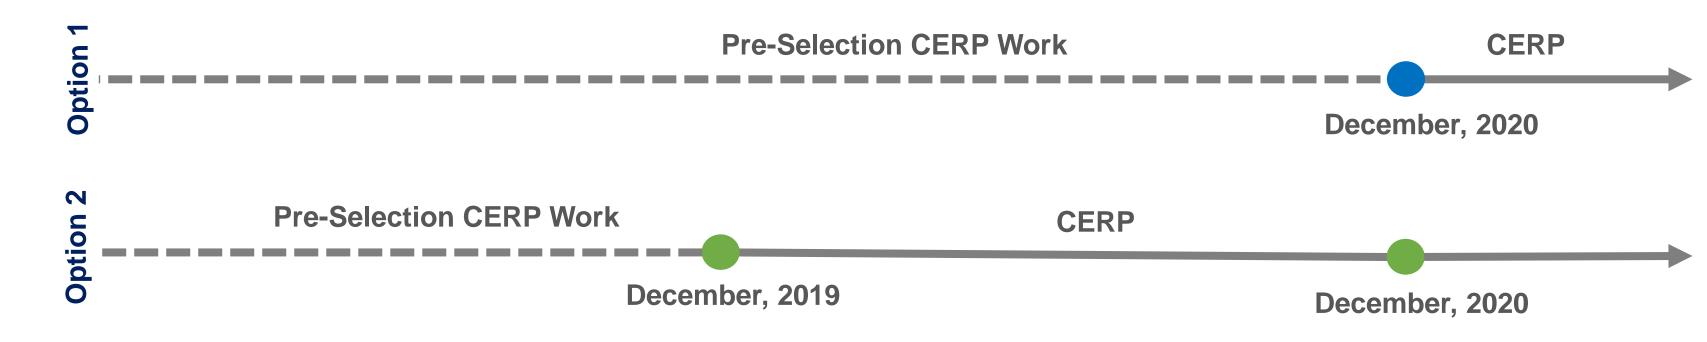

Act on immediate strategies and compile additional strategies for Community Emission Reduction Plan (CERP)

Options for Steering Committee Vote

What's Next?

- Continue to identify air pollution concerns and monitoring objectives
- Prioritize and select additional shortterm air monitoring projects or approaches
- Community Summit in Fall 2019
- Identify near-term action and strategies for upcoming Emissions Reduction Plan

Summary of Ozone Seasons

Year	National 8-Hour	State 1-Hour	State 8-Hour
2015*	5	4	11
2016	15	5	15
2017	6	6	6
2018	3	2	3
2019	9	6	9

Spare the Air Alerts (15 days): 6/9 - 6/12, 7/26 - 7/28, 8/13 - 8/16, 8/26, 9/12 - 9/14

Days > 0.070 ppm 8-hour NAAQS (9): 6/10 - 6/12, 7/24, 7/25, 7/27, 8/14 - 8/16

^{*}Based on NAAQS of 0.075 ppm that was in place during that year

Winter PM_{2.5} Seasons

Year	Days > 35 µg/m³	Winter Spare the Air Alerts
2015/2016	0	1
2016/2017	0	7
2017/2018	8	19
2018/2019	14	16

• Spare the Air Alert Called for: 11/8/18 – 11/21/18, 12/15/18, 1/28/19

• Days > 35 μ g/m³ 24-hr NAAQS: 11/8/18 – 11/21/18

Calendar Year Summary

Year	National Ozone Exceedances	Days > 35 µg/m³ due to Wildfires (PM _{2.5})	Total Days > 35 µg/m³ (PM _{2.5})
2015	5*	3	9
2016	15	0	0
2017	6	14	18
2018	3	16	20
2019	9	0	0

For Ozone - Days > 0.070 ppm 8-hour NAAQS (6 days): 6/10 - 6/12, 7/24, 7/25, 7/27, 8/14 - 8/16

^{*} Based on NAAQS of 0.075 ppm that was in place during those years
