Presentation Requested Action

Informational Only. No Action Requested.
Background

• June 16, 2021, the Board approved 26 additional Fiscal Year Ending 22 positions

• At that time, the Board requested a recruitment plan to outline our efforts to attract, recruit and retain diverse candidates for employment at the Air District.

• On October 20, 2022, staff provided the update and discussed the upcoming work of the Diversity, Equity and Inclusion (DEI) Consultant, MEB Consulting
Diverse Recruiting Practices

Review of Air District Recruitment Practices

• Attending Community and Education Career Fairs

• Administering the High School and College Internship Program focusing on Recruiting from Underrepresented STEM programs

• Broadening Job Descriptions

• Recruiting from Professional Organizations of Underrepresented Candidates, Community mailing lists, and Historically Black Colleges and Universities (HBCUs)

• Removing Bias in the Selection Process
Diverse Recruiting Practices (cont.)

Review of Air District Recruitment Practices

- Staffing Diverse Hiring Panels
- Training Hiring Managers
- Publishing Diversity Tool Kit
- Enhancing Employee Resource Group (ERG) Program
- Hired a DEI Consultant to Review Hiring Process to Eliminate Barriers
- Negotiating with the Employees’ Association to amend job descriptions
Diverse Recruiting Practices

Diversity Hiring Toolkit

STEP 1 Planning  STEP 2 Recruitment  STEP 3 Selection  STEP 4 Hiring  Salary Placement Guidelines  RESOURCES

This toolkit will provide information and tips on creating and maintaining an inclusive work force through the decisions, actions, and processes that go into developing a top-tier, diverse team. The toolkit will briefly cover the recruitment and hiring process and provide links to various resources.

Diversity

Diversity is the collection of everything that makes us different. It includes individual differences (e.g., personality, language, life experiences) and group-social differences (e.g., race, ethnicity, gender, gender identity, sexual orientation, sexual identity, age, country of origin, ability status, or cultural, political, religious, and other affiliations).

Equity

Equity is the creation of equal access to opportunities that closes demographic disparities within all areas of the organization and society at large.

Inclusion

Inclusion is a state of being valued, respected and supported that enables each individual to achieve their full potential. Inclusion is reflected within the organizational culture, practices, and relationships that support diverse communities.
BAAQMD EXTERNAL REVIEW FINDINGS & RECOMMENDATIONS
2022

Dr. Maisha Beasley, CEO and Co-Founder
Ashley Carter, COO and Co-Founder
Overview

Goal: To execute a successful external review of the Air District’s recruitment, hiring, and retention practices as it relates to equity in the workplace.
Equity of Hiring Practices

“If you really want to solve the DEI issues within, we have to get out of our own way.”
- focus group attendee

**Finding:** Communication to all applicants about reasonable accommodations and accessibility would enhance inclusion for disabled candidates.

- **Recommendation**
  Include reasonable accommodation language in response emails to candidates

**Finding:** Strict Job requirements often limit the number of potential candidates.

- **Recommendation**
  Consistency of descriptions, abilities and ensure minimum requirements correlate to the job being performed
Equity of Hiring Practices Continued

Finding: Lack of education for Hiring Managers on the job posting process

Recommendation

- Provide continual educational opportunities for Hiring Managers and reexamine job boards for diversity and alignment with the job descriptions

Finding: DEI training is mandatory for Hiring Managers but is not mandatory for panelists in the interview process

Recommendation

- Host general DEI training for anyone participating in the interview and selection process
Equity of Hiring Practices Continued

• Finding: Interviewees should be better prepared for the interview process

  Recommendations
  ○ HR should invest in determining the best way to set candidates up for success by
    ▪ ensuring they are aware of the entire hiring process, including the interview panel
    ▪ Candidate materials should be provided to interview panels in advance
Staff Retention & Satisfaction

“In the [#] years I’ve been with the Air District, I feel like it’s been continuous transitions.”
- focus group attendee

- **Finding:** Hiring managers expressed dissatisfaction with having to wait until a position is fully vacant before recruiting.
  - **Recommendation**
    - Allow divisions to create a process for streamlined recruiting, onboarding and training practices based on upcoming anticipated position vacancies

- **Finding:** The quantity of signatures needed for hiring approval is excessive.
  - **Recommendation**
    - Consider requiring fewer signatures, limiting it to the hiring manager, HR and senior staff member of that respective area
Updating and Reviewing Job Descriptions & Qualifications

“Our current job descriptions are lengthy, dated and do not always articulate the needs of the Air District.”
- focus group attendee

- **Finding:** Participants shared challenges around the ability to provide input on the job description and qualifications needed for specific positions

  - **Recommendations**
    - Consistent review of job descriptions with input from hiring managers
    - If a review of job descriptions is being conducted, updates should be provided to hiring managers on the progress
Finding: It seems difficult to make job announcements interesting and appeal to the right candidate.

Recommendation
- Work with hiring managers to know which type of promotion materials would be most successful in their potential posting areas.
- Consider updating job titles to be more reflective of the position and find ways to be more specific in the job posting listing the functional area and responsibilities.
NEXT STEPS

Phase 2
Systems Review & Next Steps

Phase 3
In-Depth Training and Development

Administration Committee Meeting
February 16, 2022
Systems & Next Steps

**Timeframe: February through April 30th, 2022**

- Specific attention to the performance review portal, mitigating unconscious bias, and execution of the process for all Air District employees

- Utilizing information gathered from Phase One, review the Air District MOU and make recommendations for updated language, processes, etc.

- Design customized 21 Day Challenge based on Air District needs.
In-Depth Training & Development

**Timeframe: May through July 31st, 2022**

- Begin various training modules for BAAQMD, including:
  - Launching the 21 Day Challenge for all BAAQMD employees
  - Conducting Anti-Racist Facilitator Training for interested employees
  - Performing in-depth training and development specifically for BAAQMD Hiring Managers, then administering trainings for the various BAAQMD divisions, eventually having a touch point with every BAAQMD employee

- Conduct an assessment to provide feedback and additional recommendations for BAAQMD
Next Steps

• Implement Best Practices Recommendations by MEB Consultants

• Continue working with Employees’ Association on Job Classification changes

• Continue ERG Program Development

• Implement Internship / Fellowship Program Enhancements

• Prioritize and Implement Succession Planning Efforts
