THIS MEETING WILL BE CONDUCTED UNDER PROCEDURES AUTHORIZED BY ASSEMBLY BILL 361 (RIVAS 2021) ALLOWING REMOTE MEETINGS. THIS MEETING WILL BE ACCESSIBLE VIA WEBCAST, TELECONFERENCE, AND ZOOM. A ZOOM PANELIST LINK WILL BE SENT SEPARATELY TO COMMITTEE OR BOARD MEMBERS.

- THE PUBLIC MAY OBSERVE THIS MEETING THROUGH THE WEBCAST BY CLICKING THE LINK AVAILABLE ON THE AIR DISTRICT’S AGENDA WEBPAGE AT

  www.baaqmd.gov/bodagendas

- THE PUBLIC MAY PARTICIPATE REMOTELY VIA ZOOM AT THE FOLLOWING LINK OR BY PHONE

  https://bayareametro.zoom.us/j/88314899988

  (669) 900-6833 or (408) 638-0968

  WEBINAR ID: 883 1489 9988

- THOSE PARTICIPATING BY PHONE WHO WOULD LIKE TO MAKE A COMMENT CAN USE THE “RAISE HAND” FEATURE BY DIALING “*9”. IN ORDER TO RECEIVE THE FULL ZOOM EXPERIENCE, PLEASE MAKE SURE YOUR APPLICATION IS UP TO DATE.
LEGISLATIVE COMMITTEE MEETING
AGENDA

MONDAY, JULY 11, 2022
1:00 PM

1. Call to Order - Roll Call

2. Pledge of Allegiance

3. Public Meeting Procedure

   *The Committee Chair shall call the meeting to order and the Clerk of the Boards shall take roll of the Committee members.*

   *This meeting will be webcast. To see the webcast, please visit [www.baaqmd.gov/bodagendas](http://www.baaqmd.gov/bodagendas) at the time of the meeting. Closed captioning may contain errors and omissions and are not certified for their content or form.*

   **Public Comment on Agenda Items:** The public may comment on each item on the agenda as the item is taken up. Members of the public who wish to speak on matters on the agenda for the meeting, will have two minutes each to address the Committee. No speaker who has already spoken on that item will be entitled to speak to that item again.

CONSENT CALENDAR (Item 4)

4. Approval of the Minutes of June 13, 2022

   *The Committee will consider approving the attached draft minutes of the Legislative Committee meeting of June 13, 2022.*

PRESENTATIONS (Items 5 - 7)

5. State Legislative Budget Update

   *This is an informational item only and will be presented by Alan Abbs, Legislative Officer.*
6. Air District-Sponsored Bills

This is an informational item only and will be presented by Alan Abbs, Legislative Officer.

7. State Legislative Update

This is an informational item only and will be presented by Alan Abbs, Legislative Officer.

OTHER BUSINESS

8. Public Comment on Non-Agenda Matters

Pursuant to Government Code Section 54954.3
Members of the public who wish to speak on matters not on the agenda for the meeting, will have two minutes each to address the Committee.

9. Committee Member Comments

Any member of the Committee, or its staff, on his or her own initiative or in response to questions posed by the public, may: ask a question for clarification, make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter or take action to direct staff to place a matter of business on a future agenda. (Gov’t Code § 54954.2)

10. Time and Place of Next Meeting

Monday, October 10, 2022, at 1:00 p.m., via webcast, teleconference, or Zoom, pursuant to procedures in accordance with Assembly Bill 361 (Rivas 2021).

11. Adjournment

The Committee meeting shall be adjourned by the Chair.
Any writing relating to an open session item on this Agenda that is distributed to all, or a majority of all, members of the body to which this Agenda relates shall be made available at the Air District’s offices at 375 Beale Street, Suite 600, San Francisco, CA 94105, at the time such writing is made available to all, or a majority of all, members of that body.

Accessibility and Non-Discrimination Policy

The Bay Area Air Quality Management District (Air District) does not discriminate on the basis of race, national origin, ethnic group identification, ancestry, religion, age, sex, sexual orientation, gender identity, gender expression, color, genetic information, medical condition, or mental or physical disability, or any other attribute or belief protected by law.

It is the Air District’s policy to provide fair and equal access to the benefits of a program or activity administered by Air District. The Air District will not tolerate discrimination against any person(s) seeking to participate in, or receive the benefits of, any program or activity offered or conducted by the Air District. Members of the public who believe they or others were unlawfully denied full and equal access to an Air District program or activity may file a discrimination complaint under this policy. This non-discrimination policy also applies to other people or entities affiliated with Air District, including contractors or grantees that the Air District utilizes to provide benefits and services to members of the public.

Auxiliary aids and services including, for example, qualified interpreters and/or listening devices, to individuals who are deaf or hard of hearing, and to other individuals as necessary to ensure effective communication or an equal opportunity to participate fully in the benefits, activities, programs and services will be provided by the Air District in a timely manner and in such a way as to protect the privacy and independence of the individual. Please contact the Non-Discrimination Coordinator identified below at least three days in advance of a meeting so that arrangements can be made accordingly.

If you believe discrimination has occurred with respect to an Air District program or activity, you may contact the Non-Discrimination Coordinator identified below or visit our website at www.baaqmd.gov/accessibility to learn how and where to file a complaint of discrimination.

Questions regarding this Policy should be directed to the Air District’s Non-Discrimination Coordinator, Suma Peesapati, at (415) 749-4967 or by email at speesapati@baaqmd.gov.

### AUGUST 2022

NO MEETINGS SCHEDULED
BAY AREA AIR QUALITY MANAGEMENT DISTRICT
Memorandum

To: Chairperson Pauline Russo Cutter and Members of the Legislative Committee

From: Sharon L. Landers
Interim Executive Officer/APCO

Date: July 11, 2022

Re: Approval of the Minutes of June 13, 2022

RECOMMENDED ACTION

Approve the attached draft minutes of the Legislative Committee (Committee) meeting of June 13, 2022.

BACKGROUND

None.

DISCUSSION

Attached for your review and approval are the draft minutes of the Legislative Committee meeting of June 13, 2022.

BUDGET CONSIDERATION/FINANCIAL IMPACT

None.

Respectfully submitted,

Sharon L. Landers
Interim Executive Officer/APCO

Prepared by: Marcy Hiratzka
Reviewed by: Vanessa Johnson
ATTACHMENTS:

1. Draft Minutes of the Legislative Committee Meeting of June 13, 2022
1. CALL TO ORDER - ROLL CALL

Opening Comments: Legislative Committee (Committee) Vice Chairperson Rob Rennie called the meeting to order at 1:00 p.m.

Roll Call:

Present: Committee Chairperson Pauline Russo Cutter; Vice Chairperson Rob Rennie; and Directors Margaret Abe-Koga, David Haubert, David Hudson, and Sergio Lopez.

Absent: Directors Erin Hannigan, Lynda Hopkins, and Brad Wagenknecht.

2. PLEDGE OF ALLEGIANCE

3. PUBLIC MEETING PROCEDURE

4. APPROVAL OF THE MINUTES OF MAY 9, 2022

Public Comments

No requests received.

Committee Comments

None.
Committee Action

Director Hudson made a motion, seconded by Director Haubert, to approve the minutes of May 9, 2022; and the motion carried by the following vote of the Committee:

NOES: None.
ABSTAIN: None.
ABSENT: Cutter, Hannigan, Hopkins, Wagenknecht.

5. STATE LEGISLATIVE BUDGET UPDATE

Alan Abbs, Legislative Officer, gave an oral presentation, regarding a status update on the State Legislative Budget. This summary included items of interest to the Air District (Assembly Bill 617, Greenhouse Gas Reduction Fund, Carl Moyer Program.)

Public Comments

Public comments were given by Daniel Drazen, Enchanted Rock.

Committee Comments

The Committee and staff discussed the status of the Governor’s Gas Rebate Plan, which would send Californians who own cars up to $800 from the state to help offset record high gas prices, capped at two vehicles; and the status of Senate Bill (SB) 457 (Portantino), which would, for taxable years beginning on or after January 1, 2023, and before January 1, 2028, allow a credit against those taxes in an amount of $2,500 for each household member, as defined, that exceeds the number of registered vehicles, as defined, and would limit the amount of the credit allowed to $7,500.

Committee Action

None; receive and file.

6. AIR DISTRICT-SPONSORED BILLS

Mr. Abbs gave the staff presentation Air District-Sponsored Bills, which referenced four bills:

- **Assembly Bill (AB) 1897 (Wicks) – Nonvehicular Air Pollution Control: civil penalties: refineries.** Existing law prohibits a person from discharging from nonvehicular sources air contaminants or other materials that cause injury, detriment, nuisance, or annoyance to any considerable number of persons or to the public, or that endanger the comfort, repose, health, or safety of those persons or the public, or that cause, or have a natural tendency to cause, injury or damage to business or property. Under existing law, a person who violates this provision, or any other statute, rule, regulation, permit, or order, as provided, is strictly liable for a civil penalty of not more than $10,000, unless that person alleges by affirmative defense and establishes that the act was not the result of intentional or negligent conduct, in which case
the person is strictly liable for a civil penalty of not more than $5,000. A violator who acts negligently, knowingly, willfully and intentionally, or with reckless disregard, is liable for a civil penalty in a greater amount, as specified. Existing law requires the civil penalties to be assessed and recovered in a court of competent jurisdiction through a civil action brought by the Attorney General, a district attorney, or the attorney for the district in which the violation occurs. Existing law precludes prosecution under specified statutes if civil penalties are recovered for the same offense. This bill would make a person who violates the above provision liable for a civil penalty of not more than $30,000 if the violation results from a discharge from a stationary source required by federal law to be included in an operating permit program established pursuant to Title V of the federal Clean Air Act, and the stationary source is a refinery, as defined, the discharge results in a disruption to the community, and the discharge contains or includes one or more toxic air contaminants, as specified. The bill would additionally make a person who violates this provision liable for a civil penalty of not more than $100,000 for a subsequent violation within a 12-month period. The bill would require civil penalties collected by an air pollution control district or an air quality management district pursuant to this provision, above the costs of prosecution, to be expended to mitigate the effects of air pollution in communities affected by the violation. Mr. Abbs reported that this bill was doubly referred to the Senate Standing Committees on Environmental Quality and Judiciary, after being passed in the California Assembly.

- **AB 2214 (C. Garcia) - California Environmental Quality Act (CEQA): schoolsites:** acquisition of property: school districts, charter schools, and private schools. CEQA requires a lead agency to prepare and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, or to adopt a negative declaration if it finds that the project will not have that effect. CEQA prohibits an environmental impact report or negative declaration from being approved for any project involving the purchase of a schoolsite or the construction of a new elementary or secondary school by a school district unless certain conditions are met relating to hazardous emissions or substances safety considerations. Existing law requires the governing board of a school district to conduct a Phase I environmental assessment of a proposed schoolsite before acquiring the site. Existing law requires the State Department of Education to advise the governing board on the acquisition of new schoolsites. Existing law requires the governing board of a school district to give notice in writing of the proposed acquisition to the planning commission. Existing law requires the planning commission to investigate the proposed site and submit a written report to the governing board of the school district. Existing law prohibits the governing board from acquiring title to the property until the report of the planning commission has been received. This bill would impose those prohibitions on the governing body of a charter school and the governing body of a private school and would make the provisions relating to school districts also applicable to charter schools and private schools. The bill would apply the Phase I environmental assessment requirements to charter schools and private schools, without conditioning the requirements on the receipt of state funds. Mr. Abbs reported that in 2021, this bill’s author introduced the original bill, which died Senate Appropriations. This bill was doubly referred to the Senate Standing Committees on Environmental Quality and Education (may be referred to suspense file), after being passed in the California Assembly.

- **AB 2721 (Lee) – Bay Area Air Quality Management District: district board:** compensation. Existing law establishes the Bay Area Air Quality Management District, which is vested with the authority to regulate air emissions located in the boundaries of the Counties of Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Santa Clara and
portions of the Counties of Solano and Sonoma. Existing law establishes a district board to
govern the district and prescribes the membership of the district board. Existing law authorizes
the district board to provide, by ordinance, compensation not to exceed $100 per day for board
members for attending meetings of the board or committees of the board or while on official
business of the district and not to exceed $6,000 per year. Existing law also requires board
members to receive actual and necessary expenses incurred in the performance of their duties.
This bill would revise the amount of compensation that a member of the board may receive for
attending a meeting of the board or attending a meeting while on official business of the district
to an amount not to exceed $100 per meeting and $200 per day. The bill would also authorize
a member of the board to receive compensation for active transportation travel to one of these
meetings and would subject this compensation to the $6,000 total annual compensation limit.
Mr. Abbs reported that this bill was doubly referred to the Senate Standing Committees on
Environmental Quality and Governance & Finance, after being passed in the California
Assembly.

- **AB 2836 (E. Garcia) – Carl Moyer Memorial Air Quality Standards Attainment Program: vehicle registration fees: California tire fee.** Existing law establishes the Carl Moyer Memorial Air Quality Standards Attainment Program, which is administered by the State Air Resources Board, to provide grants to offset the incremental cost of eligible projects that reduce emissions of air pollutants from sources in the state and for funding a fueling infrastructure demonstration program and technology development efforts. Existing law, beginning January 1, 2024, limits the Carl Moyer Program to funding projects that reduce emissions of oxides of nitrogen from covered sources. Existing law, until January 1, 2024, defines covered source for purposes of the Carl Moyer Program to include any marine vessel and any other category necessary for the state and air districts to meet air quality goals. This bill would extend the current authorization for the Carl Moyer Program to fund a broader range of projects that reduce emissions from covered sources until January 1, 2034. Mr. Abbs reported that this bill was doubly referred to the Senate Standing Committees on Transportation and Environmental Quality, after being passed in the California Assembly.

NOTED PRESENT: Chair Cutter was noted present at 1:25 p.m.

Public Comments

No requests received.

Committee Comments

None.

Committee Action

None; receive and file.

7. **STATE LEGISLATIVE UPDATE**

Mr. Abbs provided an oral update regarding bills that the Air District has taken positions on during
the 2022 Legislative Session, or is currently monitoring, including:
• AB 1944 (Lee) - Local government: open and public meetings (SUPPORTED)
• AB 2449 (Rubio) - Open meetings: local agencies: teleconferences.
• AB 2141 (E. Garcia) - Greenhouse Gas Reduction Fund: community projects: funding (SUPPORTED).
• AB 2563 (Quirk) - Air pollution: permits: mobile fueling on-demand tank vehicles (OPPOSED). Mr. Abbs reported that this bill will not be moving forward this year.
• AB 2852 (Bloom) - Air pollution control districts and air quality management districts: independent special districts: funding (SUPPORTED). Mr. Abbs reported that this bill will not be moving forward this year.
• SB 1382 (Gonzalez) - Air pollution: Clean Cars 4 All Program: Sales and Use Tax Law: zero emissions vehicle exemption (SUPPORTED). Mr. Abbs reported that this bill is being referred to the California Assembly’s Committee on Transportation next week, after being passed in the California Senate (and since this meeting, this has also been referred to the California Assembly’s Committee on Revenue and Taxation.)

Public Comments

No requests received.

Committee Comments

The Committee and staff discussed whether any California air district boards have ever had 100% remote participation prior to the 2020 pandemic; and concerns that AB 2449 would be more stringent than the current Ralph M. Brown Act. Specific concerns that Committee members had about AB 2449 included the following proposed language:

“A member of the legislative body shall only participate in the meeting remotely… if the member publicly discloses at the meeting before any action is taken whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member’s relationship with any such individuals.”

This bill... would authorize that each teleconference location be accessible to the public if at least a quorum of the members of the legislative body participates in person from a singular physical location clearly identified on the agenda that is open to the public and situated within the local agency’s jurisdiction...”

Committee Action

Although this was not an action item, the consensus of the Committee members present was to recommend the Board adopt an “oppose unless amended” position regarding AB 2449 (Rubio). Mr. Abbs said that, while he might not be able to present on this bill to the Board prior to the bill’s final legislative hearings, he would immediately communicate to the legislators and the bill’s author the Air District’s Legislative Committee members’ concerns regarding the following language within the bill, “The legislative body of a local agency may use teleconferencing without complying with paragraph (3) of subdivision (b) if, during the teleconference meeting, at least a quorum of the
members of the legislative body participates in person from a singular physical location clearly identified on the agenda…"

**OTHER BUSINESS**

8. **PUBLIC COMMENT ON NON-AGENDA MATTERS**

No requests received.

9. **COMMITTEE MEMBER COMMENTS**

Director Hudson reported that he attended the California Hydrogen Leadership Summit in early June and said that he believes that there will be an increase in hydrogen-related legislation in the future. He suggested that the Air District begins monitoring hydrogen bills, moving forward.

10. **TIME AND PLACE OF NEXT MEETING**

Monday, July 11, 2022, at 1:00 p.m., via webcast, teleconference, or Zoom, pursuant to procedures in accordance with Assembly Bill 361 (Rivas 2021).

11. **ADJOURNMENT**

The meeting was adjourned at 2:01 p.m.

Marcy Hiratzka
Clerk of the Boards
BAY AREA AIR QUALITY MANAGEMENT DISTRICT
Memorandum

From: Sharon L. Landers
Interim Executive Officer/APCO

Date: July 11, 2022

Re: State Legislative Budget Update

RECOMMENDED ACTION

None; receive and file.

BACKGROUND

- January 10, 2022 – Governor Newsom released his initial proposal for the fiscal year (FY) 2022-23 Budget.
- May 13, 2022 – Governor released the May Revision (May Revise) to the proposed 2022-23 Budget.
- June 13, 2022 – Budget bill Senate Bill (SB) 154 (Skinner) was passed by the Legislature and sent to the Governor.
- June 27, 2022 – SB 154 (Skinner) was signed by the Governor.
- June 30, 2022
  - Assembly Bill (AB) 178 (Ting) – Budget Bill Jr, which amends SB 154 – signed by the Governor.
  - AB 180 (Ting) – Budget Bill Jr, which amends the FY 2021-22 budget to make current year allocations – signed by the Governor.
- There is also a substantial trailer bill package to make statutory changes needed to implement the budget agreement.

DISCUSSION

Staff will provide an update to the Legislative Committee (Committee) on activities related to the budget.

Attached is a table of programs significant to the Air District, along with budget data from the previous year.
BUDGET CONSIDERATION/FINANCIAL IMPACT

None.

Updated 7/5/2022
BAY AREA AIR QUALITY MANAGEMENT DISTRICT
Memorandum

To: Chairperson Pauline Russo Cutter and Members of the Legislative Committee

From: Sharon L. Landers
Interim Executive Officer/APCO

Date: July 11, 2022

Re: Air District-Sponsored Bills

RECOMMENDED ACTION

None; receive and file.

BACKGROUND

This year, the Air District is sponsoring the following three bills:

- Assembly Bill (AB) 1897 (Wicks) – Nonvehicular air pollution control: civil penalties: refineries.
- AB 2214 (C. Garcia and Lee) – California Environmental Quality Act: schoolsites: acquisition of property: school districts, charter schools, and private schools.
- AB 2721 (Lee) – Bay Area Air Quality Management District: district board: compensation.

The Air District is also co-sponsoring the following bills:

- AB 2836 (E. Garcia) – Carl Moyer Memorial Air Quality Standards Attainment Program: vehicle registration fees: California tire fee.

DISCUSSION

Staff will provide the Legislative Committee with a summary and status of the three Air District-sponsored bills and one co-sponsored bill.

AB 1897 (Wicks) - Nonvehicular air pollution control: civil penalties: refineries.
CapitolTrack Bill Summary: Current law prohibits a person from discharging from nonvehicular sources air contaminants or other materials that cause injury, detriment, nuisance, or annoyance to any considerable number of persons or to the public, or that endanger the comfort, repose, health, or safety of those persons or the public, or that cause, or have a natural tendency to cause, injury or damage to business or property. Under current law, a person who violates this
provision, or any other statute, rule, regulation, permit, or order, as provided, is strictly liable for a civil penalty of not more than $10,000, unless that person alleges by affirmative defense and establishes that the act was not the result of intentional or negligent conduct, in which case the person is strictly liable for a civil penalty of not more than $5,000. A violator who acts negligently, knowingly, willfully and intentionally, or with reckless disregard, is liable for a civil penalty in a greater amount, as specified. Current law requires the civil penalties to be assessed and recovered in a court of competent jurisdiction through a civil action brought by the Attorney General, a district attorney, or the attorney for the district in which the violation occurs. Current law precludes prosecution under specified statutes if civil penalties are recovered for the same offense. This bill would make a person who violates the above provision liable for a civil penalty of not more than $30,000 if the violation results from a discharge from a stationary source required by federal law to be included in an operating permit program established pursuant to Title V of the federal Clean Air Act, and the stationary source is a refinery, as defined, the discharge results in a disruption to the community, and the discharge contains or includes one or more toxic air contaminants, as specified.

Current Status: AB 1897 was introduced by Assemblymember Wicks on February 9, 2022. This bill made its way through the Assembly committee process and was voted on the Assembly Floor on May 26, 2022, where it received a vote in favor of 41:25. In the Senate, AB 1897 was double-referred to the Senate Environmental Quality Committee and the Senate Judiciary Committee and made it out of each committee favorably with a vote of 5:1 and 9:1, respectively. AB 1897 has since been referred to the Senate Appropriations Committee and is scheduled to be heard on August 1, 2022.

AB 2214 (C. Garcia and Lee) - California Environmental Quality Act: schoolsites: acquisition of property: school districts, charter schools, and private schools.

CapitolTrack Bill Summary: Current law requires the governing board of a school district, before acquiring title to property for a new schoolsite or for an addition to a present schoolsite, to give notice in writing of the proposed acquisition to the planning commission. Current law requires the planning commission to investigate the proposed site and submit a written report to the governing board of the school district, as provided. Current law prohibits the governing board from acquiring title to the property until the report of the planning commission has been received. This bill would impose those prohibitions, and related requirements, on the governing body of a charter school and the governing body of a private school, and would make the provisions relating to school districts also applicable to charter schools and private schools, as provided. The bill would apply the Phase I environmental assessment requirements to charter schools and private schools, without conditioning the requirements on the receipt of state funds.

Current Status: AB 2214 was introduced by Assembly Members Cristina Garcia and Alex Lee on February 15, 2022. This bill made its way through the Assembly committee process and was voted on the Assembly Floor on May 23, 2022, where it received a vote in favor of 50:19. In the Senate, AB 1897 was double-referred to the Senate Environmental Quality Committee and the Senate Education Committee and made it out of each committee favorably with a vote of 5:1 and 4:2, respectively. AB 2214 has since been referred to the Senate Appropriations Committee and is scheduled to be heard on August 1, 2022.
AB 2721 (Lee) - Bay Area Air Quality Management District: district board: compensation.

CapitolTrack Bill Summary: Current law establishes a district board to govern the Bay Area Air Quality Management District and prescribes the membership of the district board. Current law authorizes the district board to provide, by ordinance, compensation not to exceed $100 per day for board members for attending meetings of the board or committees of the board or while on official business of the district and not to exceed $6,000 per year. Existing law also requires board members to receive actual and necessary expenses incurred in the performance of their duties. This bill would revise the amount of compensation that a member of the board may receive for attending a meeting of the board or attending a meeting while on official business of the district to an amount not to exceed $100 per meeting and $200 per day. The bill would also authorize a member of the board to receive compensation for active transportation travel to one of these meetings and would subject this compensation to the $6,000 total annual compensation limit.

Current Status: AB 2721 was introduced by Assemblymember Lee on February 18, 2022. This bill made its way through the Assembly committee process and was voted on the Assembly Floor on April 18, 2022, where it received a vote in favor of 66:3. In the Senate, AB 2721 was double-referred to the Senate Environmental Quality Committee and the Senate Governance and Finance Committee and made it out of each committee favorably with a vote of 5:0 and 4:1, respectively. AB 2721 has since been ordered to the Senate Floor, date pending.

AB 2836 (E. Garcia) - Carl Moyer Memorial Air Quality Standards Attainment Program: vehicle registration fees: California tire fee.

CapitolTrack Summary: Existing law establishes the Carl Moyer Memorial Air Quality Standards Attainment Program (Carl Moyer Program), which is administered by the State Air Resources Board. Existing law, beginning January 1, 2024, limits the Carl Moyer Program to funding projects that reduce emissions of oxides of nitrogen (NOx) from covered sources. Existing law, until January 1, 2024, defines covered source for purposes of the Carl Moyer Program to include any marine vessel and any other category necessary for the state and air districts to meet air quality goals. This bill would extend the current authorization for the Carl Moyer Program to fund a broader range of projects that reduce emissions from covered sources until January 1, 2034. This bill contains other related provisions and other existing laws.

Current Status: AB 2836 was introduced by Assemblymember Eduardo Garcia on February 18, 2022. This bill made its way through the Assembly committee process and was voted on the Assembly Floor on May 25, 2022, where it received a vote in favor of 65:0. In the Senate, AB 2836 was double-referred to the Senate Transportation Committee and the Senate Environmental Quality Committee and made it out of each committee favorably with a vote of 14:0 and 7:0, respectively. AB 2836 has since been referred to the Senate Appropriations Committee and is scheduled to be heard on August 1, 2022.
BUDGET CONSIDERATION/FINANCIAL IMPACT

None.

Re: State Legislative Update

RECOMMENDED ACTION

None; receive and file.

BACKGROUND

Timeline for the remainder of the 2021-2022 Legislative Session:

- June 30th – Last day for ballot measures to qualify.
- July 1st – Last day for policy committees to meet and report bills | Summer recess begins.
- August 1st – Legislature reconvenes from summer recess.
- August 12th – Last day for fiscal committees to meet and report bills.
- August 15th – 30th – Floor sessions only
- August 31st – Last day to pass bills.
- September 30th – Last day for Governor to sign or veto bills.

DISCUSSION

Staff will provide the Legislative Committee (Committee) with a brief summary and status of bills listed on the attached list. Specifically, staff will discuss the following bills:

AB 2910 (Santiago) - Nonvehicular air pollution: civil penalties.
CapitolTrack Summary: Current law generally designates air pollution control and air quality management districts with the primary responsibility for the control of air pollution from all sources other than vehicular sources. Existing law establishes maximum civil penalties for any person for violations of air pollution laws from nonvehicular sources. A person who violates these laws and who acts negligently is liable for a civil penalty in a greater amount, as specified. Current law annually adjusts the maximum penalties for violations of these laws based on the California Consumer Price Index. This bill would increase the maximum amount of those civil penalties based on the Consumer Price Index.
penalties and would subject those maximum amounts to the annual adjustment based on the California Consumer Price Index, as specified.

Current Status: Made its way through the Assembly committee process and was voted on the Assembly Floor on May 26, 2022, where it received a vote in favor of 52:17. In the Senate, AB 2910 was double-referred to the Senate Environmental Quality Committee and the Senate Judiciary Committee and made it out of each committee favorably with a vote of 5:2 and 9:1, respectively. AB 2910 has since been referred to the Senate Appropriations Committee and is scheduled to be heard on August 1, 2022.

Position: Support

SB 1382 (Gonzalez) - Air pollution: Clean Cars 4 All Program: Sales and Use Tax Law: zero emissions vehicle exemption.

CapitolTrack Summary: Existing law establishes the Clean Cars 4 All Program, which is administered by the State Air Resources Board. This bill would require the implementing regulations for the Clean Cars 4 All Program to additionally ensure that the state board coordinates with local air districts and local nonprofit and community organizations, as provided, to identify barriers to accessing the Clean Cars 4 All Program and to develop outreach protocols and metrics to assess the success of outreach across the districts. The bill would additionally require that the performance analysis include an assessment identifying populations that are eligible for, but underserved by the Clean Cars 4 All Program, as provided, and would require the assessment to identify barriers preventing the underserved populations from participating in the program and to propose strategies to overcome those barriers. This bill contains other related provisions and other existing laws.

Current Status: Made its way through the Senate committee process and was voted on the Senate Floor on May 26, 2022, where it received a vote in favor of 33:5. In the Assembly, SB 1382 was double-referred to the Assembly Transportation Committee and the Assembly Revenue and Taxation Committee and made it out of each committee favorably with a vote of 13:0 and 9:1, respectively. SB 1382 has since been ordered to the Assembly Appropriations Committee, hearing date pending.

Position: Support

BUDGET CONSIDERATION/FINANCIAL IMPACT

None.
