### **ACTION ITEM**

#### **5. CONDUCT INTERVIEWS AND CONSIDER RECOMMENDING BOARD OF DIRECTORS APPROVAL OF CANDIDATES FOR APPOINTMENT TO THE AIR DISTRICT'S HEARING BOARD**

The Committee conducted interviews of three candidates who were applying for various vacant seats on the Air District's Hearing Board. During the meeting, it was discovered that one of the three candidates was not eligible for the vacant positions Professional Engineer Category that he applied for, lacking a California Professional Engineer License. He was instead considered with the other two candidates for the position of Alternate member in the Public Category. The candidates were asked the following questions by the Committee: how their experience and perspectives might assist the Hearing Board in reviewing and deciding cases; their knowledge and experience regarding air quality matters; their experience serving on other boards or commissions; why they became interested in this opportunity; whether things from their personal or professional backgrounds may conflict with serving on the Hearing Board; and their availability to serve on the Hearing Board.

### Public Comments

No requests received.

### Committee Comments

The Committee and staff discussed the fact that the two vacancies within the Professional Engineer Category will continue to be vacant until the next recruitment; why the fourth candidate that was supposed to be interviewed withdrew at the last minute; and what constitutes a "conflict" and whether Hearing Board members recuse themselves from certain matters brought before the Hearing Board.

### Committee Action

Chair Bauters made a motion, seconded by Director Lopez, to recommend the Board **approve** the appointment of Dr. Fung Lam, as Alternate Member in the Public category of the Hearing Board; and the motion **carried** by the following vote of the Committee:
