THE FOLLOWING STREAMING OPTIONS WILL ALSO BE PROVIDED

These streaming options are provided for convenience only. In the event that streaming connections malfunction for any reason, the Policy, Grants, and Technology Committee reserves the right to conduct the meeting without remote webcast and/or Zoom access.

The public may observe this meeting through the webcast by clicking the link available on the air district's agenda webpage at www.baaqmd.gov/bodagendas.

Members of the public may participate remotely via Zoom at <https://bayareametro.zoom.us/j/87498626453>, or may join Zoom by phone by dialing (669) 900-6833 or (408) 638-0968. The Webinar ID for this meeting is: 874 9862 6453

Public Comment on Agenda Items: The public may comment on each item on the agenda as the item is taken up. Members of the public who wish to speak on a matter on the agenda will have two minutes each to address the Committee on that agenda item, unless a different time limit is established by the Chair. No speaker who has already spoken on an item will be entitled to speak to that item again.

The Committee welcomes comments, including criticism, about the policies, procedures, programs, or services of the District, or of the acts or omissions of the Committee. Speakers shall not use threatening, profane, or abusive language which disrupts, disturbs, or otherwise impedes the orderly conduct of a Committee meeting. The District is committed to maintaining a workplace free of unlawful harassment and is mindful that District staff regularly attend Committee meetings. Discriminatory statements or conduct that would potentially violate the Fair Employment and Housing Act – i.e., statements or conduct that is hostile, intimidating, oppressive, or abusive – is *per se* disruptive to a meeting and will not be tolerated.

POLICY, GRANTS, AND TECHNOLOGY COMMITTEE MEETING AGENDA

WEDNESDAY, SEPTEMBER 17, 2025

10:00 AM

Chairperson, Vicki Veenker

1. Call to Order - Roll Call

The Committee Chair shall call the meeting to order and the Clerk of the Boards shall take roll of the Committee members.

2. Pledge of Allegiance

CONSENT CALENDAR (Item 3)

The Consent Calendar consists of routine items that may be approved together as a group by one action of the Committee. Any Committee member or member of the public may request that an item be removed and considered separately.

3. Approval of the Draft Minutes of the Policy, Grants, and Technology Committee Meeting of July 16, 2025

The Committee will consider approving the Draft Minutes of the Policy, Grants, and Technology Committee Meeting of July 16, 2025.

INFORMATIONAL ITEM(S)

4. State and Federal Legislative Updates

The Committee will consider and discuss an update on state legislation, including Air District co-sponsored and Board-approved-position bills, updates to the 2025-26 California State Budget pertaining to the Air District, and recent events of significance on the federal level. This item will be presented by Viet Tran, Deputy Executive Officer of Public Affairs.

OTHER BUSINESS

5. Public Comment on Non-Agenda Matters

Pursuant to Government Code Section 54954.3, members of the public who wish to speak on matters not on the agenda will be given an opportunity to address the Committee. Members of the public will have two minutes each to address the Committee, unless a different time limit is established by the Chair. The Committee welcomes comments, including criticism, about the policies, procedures, programs, or services of the District, or of the acts or omissions of the Committee. Speakers shall not use threatening, profane, or abusive language which disrupts, disturbs, or otherwise impedes the orderly conduct of a Committee meeting. The District is committed to maintaining a workplace free of unlawful harassment and is mindful that District staff regularly attend Committee meetings. Discriminatory statements or conduct that would potentially violate the Fair Employment and Housing Act – i.e., statements or conduct that is hostile, intimidating, oppressive, or abusive – is per se disruptive to a meeting and will not be tolerated.

6. Committee Member Comments

Any member of the Committee, or its staff, on his or her own initiative or in response to questions posed by the public, may: ask a question for clarification, make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter or take action to direct staff to place a matter of business on a future agenda. (Gov't Code § 54954.2)

7. Time and Place of Next Meeting

Wednesday, October 15, 2025, at 10:00 a.m. at 375 Beale Street, San Francisco, CA 94105. The meeting will be in-person for the Policy, Grants, and Technology Committee members and members of the public will be able to either join in-person or via webcast.

8. Adjournment

The Committee meeting shall be adjourned by the Chair.

Accessibility and Non-Discrimination Policy

The Bay Area Air District (Air District) does not discriminate on the basis of race, national origin, ethnic group identification, ancestry, religion, age, sex, sexual orientation, gender identity, gender expression, color, genetic information, medical condition, or mental or physical disability, or any other attribute or belief protected by law.

It is the Air District's policy to provide fair and equal access to the benefits of a program or activity administered by Air District. The Air District will not tolerate discrimination against any person(s) seeking to participate in, or receive the benefits of, any program or activity offered or conducted by the Air District. Members of the public who believe they or others were unlawfully denied full and equal access to an Air District program or activity may file a discrimination complaint under this policy. This non-discrimination policy also applies to other people or entities affiliated with Air District, including contractors or grantees that the Air District utilizes to provide benefits and services to members of the public.

Auxiliary aids and services including, for example, qualified interpreters and/or listening devices, to individuals who are deaf or hard of hearing, and to other individuals as necessary to ensure effective communication or an equal opportunity to participate fully in the benefits, activities, programs and services will be provided by the Air District in a timely manner and in such a way as to protect the privacy and independence of the individual. Please contact the Non-Discrimination Coordinator identified below at least three days in advance of a meeting so that arrangements can be made accordingly.

If you believe discrimination has occurred with respect to an Air District program or activity, you may contact the Non-Discrimination Coordinator identified below or visit our website at www.baaqmd.gov/accessibility to learn how and where to file a complaint of discrimination.

Questions regarding this Policy should be directed to the Air District's Non-Discrimination Coordinator, Diana Ruiz, Acting Environmental Justice and Community Engagement Officer at (415) 749-8840 or by email at druiz@baaqmd.gov.

DRAFT MINUTES

This meeting was webcast, and a video recording is available on the website of the Bay Area Air Quality Management District at www.baaqmd.gov/bodagendas

CALL TO ORDER

1. **Opening Comments:** Policy, Grants, and Technology Committee (Committee) Chairperson, Vicki Veenker, called the meeting to order at 10:01 a.m.

Roll Call:

Present, In-Person (Bay Area Metro Center (375 Beale Street, 1st Floor Board Room, San Francisco, California, 94105): Committee Chairperson Vicki Veenker; Vice Chairperson Juan González III; and Directors Ken Carlson, David Haubert, and Rico E. Medina.

Present, In-Person Satellite Location (Alameda County Board of Supervisors District 3, 101 Callan Avenue, Suite #103, San Leandro, CA 94577): Director Lena Tam.

Present, In-Person Satellite Location (San Mateo County Board of Supervisors, 500 County Center, 5th Floor, Redwood City, CA 94063): Director Ray Mueller.

Present, In-Person Satellite Location (Office of Santa Clara County, 1st Floor Conference Room, 70 W. Hedding Street, San Jose, CA 95110): Director Otto Lee.

Present, In-Person Satellite Location (Napa County Administration Building, County Executive's Office, 1195 Third Street, Suite 310, Napa, CA 94559): Director Joelle Gallagher.

Absent: Directors Margaret Abe-Koga and Sergio Lopez.

CONSENT CALENDAR

3. **APPROVAL OF THE DRAFT MINUTES OF THE POLICY, GRANTS, AND TECHNOLOGY COMMITTEE MEETING OF JUNE 18, 2025**

Public Comments

No requests received.

Committee Comments

None.

Committee Action

Director Carlson made a motion, seconded by Director Medina, to **approve** the Draft Minutes of the Policy, Grants, and Technology Committee Meeting of June 18, 2025; and the motion **carried** by the following vote of the Committee:

AYES:	Carlson, Gallagher, González, Haubert, Lee, Medina, Mueller, Tam, Veenker.
NOES:	None.
ABSTAIN:	None.
ABSENT:	Abe-Koga, Lopez.

INFORMATIONAL ITEMS

4. UPDATE ON BAY AREA CLIMATE ACTION PLAN INITIATIVES

NOTE: Two presentations on regional climate action planning efforts were presented; an update on the Air District-led Bay Area Regional Climate Action Plan (BARCAP) Initiative, and an update on the Santa Clara County-led Comprehensive Climate Action Plan (CCAP) for Santa Clara and San Benito counties. The Air District and Santa Clara County each received \$1 million grants from the United States Environmental Protection Agency to lead these multi-agency climate planning efforts.

Jamesine Rogers Gibson, Senior Advanced Projects Advisor, gave the staff presentation *Update on the BARCAP Initiative*, including: outline; BARCAP initiative; Draft Greenhouse Gas (GHG) Inventory - BARCAP Region; BARCAP engagement overview; Advisory Work Group for BARCAP; local government engagement; other engagement; approach to measure development; sample measures (transportation, buildings, natural and working lands); and public comments on Draft Measures.

Janani Chandrasekar, Management Analyst at the Santa Clara County Office of Sustainability and Resilience, gave the presentation *Overview of Santa Clara and San Benito County's CCAP*, including: overview of Climate Pollution Reduction Grant (CPRG) project; timeline; building on existing work; priority Climate Action Plan development; CPRG Work Group; priority Climate Action Plan key actions; CCAP; Draft GHG Inventory for region; and CCAP measures – examples.

Public Comments

No requests received.

Committee Comments

The Committee and staff discussed the suggestion of assessing which climate planning efforts are working especially well in other parts of the state and country and implementing those methods in the Bay Area; which community-based organizations are working with the Air District on BARCAP, and the suggestion that Air District staff collaborates with the Board members who have connections with additional organizations; the difficulties associated with food recovery (whether the benefits are really cost-effective); the desire to see percentages added to the “Regional GHG Emissions Million Metric Tons of Carbon Dioxide Equivalent (MMTCO₂e)” chart used throughout the *BARCAP Measures for Public Review*; whether jurisdictions have implemented food recovery from applicable hotels and health facilities, per Tier 2 requirements of Senate Bill (SB) 1383 (Lara) 2016: short-lived climate pollutants: methane emissions: dairy and livestock: organic waste: landfills; whether United States Environmental Protection Agency (US EPA) grant funds allocated for regional climate planning efforts are expected to be clawed back, and whether any unspent funds can be expedited before they are clawed back; whether methane has been included in the Bay Area regional GHG inventories; whether the *Draft Public Review BARCAP Measures* will be submitted to the Board for review before it is officially submitted to the US EPA; whether the term “Climate Action Plan” includes metrics, actions, and commitments (what does “plan” mean); whether research is being conducted that analyzes the “sources” (locations or entities that provide something) and “sinks” (locations or entities that receive or consume something) pertaining to nature’s response to the built environment/human activity; differences between the two presentations’ data and timelines; how the jurisdictions that are part of the CPRG Work Group were selected over others; the percentage of Bay Area jurisdictions that have approved their own climate action plans; and whether youth are specifically being targeted for their review of the Draft BARCAP Measures.

Committee Action

No action taken.

5. STATE LEGISLATIVE UPDATE

Alan Abbs, Legislative Officer, gave the staff presentation *State Legislative Update*, including: outline; State Legislative upcoming dates and deadlines; co-sponsored bill: Assembly Bill (AB) 14 (Hart); Board-approved position bills: AB 339 (Ortega), AB 546 (Caloza); AB 907 (Chen), AB 914 (Garcia), SB 69 (McNerney); SB 712 (Grove), SB 34 (Richardson); additional bills of interest: SB 237 (Grayson et. Al), AB 306 (Schultz), AB 130 (Committee on Budget); and State Budget update: Fiscal Year 2025-2026.

Public Comments

No requests received.

Committee Comments

The Board and staff discussed what impacts AB 306 (Schultz): building regulations: state building standards may have on Air District's (appliance) Rules 9-4 and 9-6, as well as jurisdictions' building codes, specifically regarding the bill's language that says, "A temporary pause on additional changes to state building standards affecting residential construction for six years, with limited exceptions, would support this statewide approach by bringing more certainty to the home construction industry, including both affordable and market-rate developers, and helping stem further construction cost increases"; whether the Air District has been monitoring SB 787 (McNerney): equitable clean energy supply chains and industrial policy in California, and whether the Air District should adopt a support position; concerns regarding AB 130 (Governor): Committee on Budget. Housing; whether bills, including those with appropriations, can die in either the Assembly or the Senate; and amendments to SB 712 (Grove): Smog check: motor vehicles: exemption.

Committee Action

No action taken.

OTHER BUSINESS

6. PUBLIC COMMENT ON NON-AGENDA MATTERS

No requests received.

7. COMMITTEE MEMBER COMMENTS

Chair Veenker reported that at the July 2, 2025, Board meeting, one of the Board members requested that potential socioeconomic policy recommendations (to strengthen the Air District's current socioeconomic impact policy and address the impact on those working in industry) be considered. As a result, this item will be agendized at a future Stationary Source Committee meeting.

8. TIME AND PLACE OF NEXT MEETING

Wednesday, September 17, 2025, at 10:00 a.m. at 375 Beale Street, San Francisco, CA 94105. The meeting will be in-person for the Policy, Grants, and Technology Committee members and members of the public will be able to either join in-person or via webcast.

9. ADJOURNMENT

The meeting was adjourned at 11:42 a.m.

Marcy Hiratzka
Clerk of the Boards

Date: September 17, 2025

Re: State and Federal Legislative Updates

RECOMMENDED ACTION

None; the Committee will discuss this item, but no action is requested at this time.

BACKGROUND

Attached are two reports – the first report is on all bills that the Air District has taken a position on during the 2025 Legislative Session. Among other things, this report includes bill summary, status, location, history, and previous vote events. The second report is a matrix of all the bills that the Air District is currently tracking – arranged by category.

DISCUSSION

State Legislative Update

The Legislature's summer recess began on July 18, 2025, and they returned on August 18, 2025, for the final push to get bills passed by September 12, 2025, and then sent to the Governor's office. Bills that have a fiscal impact had a deadline to get out of their respective Appropriations Committee hearings by August 29, 2025. In the Appropriations Committees, bills that are passed favorably are sent to the Assembly or Senate Floor for a vote and bills that are "held under submission" are dead. When a bill passes the Assembly or Senate Floor favorably and no substantive amendments were made in the second house, the bill is ordered to engrossing and enrolling and will then be enrolled and presented to the Governor; however, when a bill passes the Assembly or Senate Floor favorably and there have been substantive amendments made in that house, the bill is sent back to its house of origin for a concurrence of the amendments made in the second house. If the house of origin concurs in the amendments made in the second house, only then can the bill be ordered to engrossing and enrolling and then be enrolled and presented to the Governor. October 12, 2025, is the last day for the Governor to sign or veto bills passed by the legislature before September 12, 2025.

Below are the Board-Approved-Position bills that were discussed at the July 16, 2025, Policy, Grants, and Technology Committee (Committee) meeting that were still actively moving through the legislative process on that date – any Board-Approved-Position bills that were discussed that Air District staff noted had died or been gut and amended have been removed.

Bills that have since died are noted with a ~~striketrough~~, bills that have changed topics entirely (gut and amended) are noted with an asterisk (*), and bills that will be carried over into the 2026 Legislative Session (2-Year Bills) are noted as such.

Board-Approved-Position Bills

Co-Sponsor:

- Assembly Bill (AB) 14 (Hart) – Coastal resources: Protecting Blue Whales and Blue Skies Program

Support:

- AB 546 (Caloza) – Health care coverage: portable high-efficiency particulate air (HEPA) purifiers
- AB 907 (Chen) – State Air Resources Board: board members: compensation (2-Year Bill)

Oppose:

- AB 339 (Ortega) – Local public employee organizations: notice requirements
- Senate Bill (SB) 34 (Richardson) – Air pollution: South Coast Air Quality Management District: mobile sources: public seaports
- ~~SB 712 (Grove) – Smog check: motor vehicles: exemption~~

Work With Author:

- AB 914 (Garcia) – Air pollution: indirect sources (2-Year Bill)

Additional Bills of Interest for Discussion

Bills related to the recently called [Statewide Special Election on November 4, 2025](#)

- [AB 604 \(Aguiar-Curry\)](#) – Redistricting: congressional districts (Chapter 96, Statutes of 2025)
- [SB 280 \(Cervantes\)](#) – Elections (Chapter 97, Statutes of 2025)
- [Assembly Constitutional Amendment \(ACA\) 8 \(Rivas\)](#) – Congressional redistricting (Resolution Chapter 156, Statutes of 2025)
 - Proposition 50

State Budget Update for Fiscal Year (FY) 2025-26

On June 24, 2025, the Legislature and the Governor reached an agreement on the Budget Act of 2025. The whole budget package includes the Budget Bill, budget bill juniors, and trailer bills.

- [Assembly – Floor Report of the 2025-26 Budget](#) (July 17, 2025)

Air District staff will provide the Committee with a verbal update on the state budget and the status of funding as it pertains to the Air District.

California State Legislature Dates and Deadlines:

October 12, 2025	Last day for the Governor to sign or veto bills passed by the Legislature before September 12 and in the Governor's possession on or after September 12.
January 1, 2026	Statutes take effect.
January 5, 2026	Legislature Reconvenes.

Additional bill information may be found on the [California Legislative Information](#) website.

Federal Legislative Updates

Air District staff will also provide the Committee with a verbal update on recent events of significance on the federal level.

BUDGET CONSIDERATION/FINANCIAL IMPACT

None.

AB 14 (~~Hart~~, **D**) Coastal resources: Protecting Blue Whales and Blue Skies Program.**Current Text:** 08/29/2025 - Amended [HTML](#) [PDF](#)**Introduced:** 12/02/2024**Last Amended:** 08/29/2025**Status:** 09/09/2025 - Read third time. Passed. Ordered to the Assembly. (Ayes 38. Noes 0.). In Assembly. Concurrence in Senate amendments pending.**Location:** 09/09/2025 - Assembly CONCURRENCE

Summary: Current law establishes the Ocean Protection Council in state government to, among other things, establish policies to coordinate the collection, evaluation, and sharing of scientific data related to coastal and ocean resources among agencies. Current law requires the council to develop and implement a voluntary sustainable seafood promotion program for the state, to consist of specified components, including a competitive grant and loan program for eligible entities, including, but not limited to, fishery groups and associations, for the purpose of assisting California fisheries in qualifying for certification to internationally accepted standards for sustainable seafood. This bill would, subject to the availability of funding, require the council to participate, as a stakeholder and in an advisory capacity, in the Protecting Blue Whales and Blue Skies Program with air pollution control districts and air quality management districts along the coast and other stakeholders to support, in an advisory capacity, coastal air districts in their efforts to implement a statewide voluntary vessel speed reduction and sustainable shipping program for the California coast in order to reduce air pollution, the risk of fatal vessel strikes on whales, and harmful underwater acoustic impacts. The bill would authorize the expansion of the existing Protecting Blue Whales and Blue Skies Program to include specified components, including incentives to program participants based on a percentage of distance traveled by a participating vessel at a reduced speed, as provided. Location: 09/08/2025 - Assembly ENROLLMENT

Summary: The Meyers-Milias-Brown Act contains various provisions that govern collective bargaining of local represented employees and delegates jurisdiction to the Public Employment Relations Board to resolve disputes and enforce the statutory duties and rights of local public agency employers and employees. Current law requires the governing body of a public agency to meet and confer in good faith regarding wages, hours, and other terms and conditions of employment with representatives of recognized employee organizations. Current law requires the governing body of a public agency, and boards and commissions designated by law or by the governing body, to give reasonable written notice, except in cases of emergency, as specified, to each recognized employee organization affected of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the governing body or the designated boards and commissions. This bill would require the governing body of a public agency, and boards and commissions designated by law or by the governing body of a public agency, to give the recognized employee organization no less than 45 days' written notice before issuing a request for proposals, request for quotes, or renewing or extending an existing contract to perform services that are within the scope of work of the job classifications represented by the recognized employee organization, subject to certain exceptions. The bill would require the notice to include specified information, including the anticipated duration of the contract. (Based on 08/29/2025 text)

AB 546 (**Caloza, D**) **Health care coverage: portable HEPA purifiers.**

Current Text: 09/09/2025 - Enrollment [HTML](#) [PDF](#)

Introduced: 02/11/2025

Last Amended: 09/03/2025

Status: 09/09/2025 - Senate amendments concurred in. To Engrossing and Enrolling. (Ayes 67. Noes 0.).

Location: 09/09/2025 - Assembly ENROLLMENT

Summary: Would require a large group health care service plan contract or large group health insurance policy, except a specialized health care service plan contract or health insurance policy, that is issued, amended, or renewed on or after January 1, 2026, to include coverage for one portable high-efficiency particulate air (HEPA) purifier for an enrollee or insured who is pregnant or diagnosed with asthma or chronic obstructive pulmonary disease if the enrollee or insured is residing in or displaced from a county where a local or state emergency has been declared due to wildfires and the HEPA purifier is prescribed by the enrollee's or insured's health care provider. The bill would prohibit the cost of the HEPA purifier from exceeding \$500, adjusted for inflation, as specified. Because a willful violation of these provisions by a health care service plan would be a crime, this bill would impose a state-mandated local program. (Based on 09/03/2025 text)

(Connolly, D) Clean Cars 4 All Program.

Current Text: 03/10/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/14/2025

Last Amended: 03/10/2025

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 4/30/2025)(May be acted upon Jan 2026)

Location: 05/23/2025 - Assembly 2 YEAR

Summary: Current law establishes the Clean Cars 4 All Program, which is administered by the State Air Resources Board, to focus on achieving reductions in the emissions of greenhouse gases, improvements in air quality, and benefits to low-income state residents through the replacement of high-polluter motor vehicles with cleaner and more efficient motor vehicles or a mobility option. Current law requires the implementing regulations to ensure that the program complies with certain requirements. This bill would require the implementing regulations for the Clean Cars 4 All Program to additionally ensure that, among other things, incentives provided under the program are available in all areas of the state and that, in those areas where a local air district has not elected to participate in the program to manage the distribution of incentives within its jurisdiction, the state board manages the distribution of incentives to eligible residents of those areas, as specified. The bill would make certain conforming changes in that regard. (Based on 03/10/2025 text)

(Last location was E.Q. on 6/18/2025)(May be acted upon Jan 2026)**Location:** 07/17/2025 - Senate 2 YEAR

Summary: Current law establishes the State Air Resources Board consisting of 14 members with 12 members appointed by the Governor, with the consent of the Senate. Current law provides that, of the 12 members appointed by the Governor, 6 of those members are to be from certain air quality management districts or air pollution control districts, as provided. In addition to the 14 members of the state board, current law provides that 2 Members of the Legislature serve on the state board as ex officio, nonvoting members of the state board. Current law provides that members appointed as members from the air districts serve on the state board without compensation. This bill would repeal the prohibition on compensation of the members of the state board from air districts and would specify that those members are to receive the annual salary provided to other members of the state board. The bill would repeal the per diem amount provided to elected official members of the state board. (Based on 02/19/2025 text)

(Garcia, D) Air pollution: indirect sources.

Current Text: 05/23/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/19/2025

Last Amended: 05/23/2025

Status: 06/05/2025 - Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 6/2/2025)
(May be acted upon Jan 2026)

Location: 06/05/2025 - Assembly 2 YEAR

Summary: Existing law generally designates the State Air Resources Board as the state agency with the primary responsibility for the control of vehicular air pollution, and air pollution control districts and air quality management districts with the primary responsibility for the control of air pollution from all sources other than vehicular sources. Existing law authorizes air districts to adopt and implement regulations to reduce or mitigate emissions from indirect sources of air pollution. Existing law authorizes an air district to adopt a schedule of fees to be assessed on indirect sources of emissions to recover the costs of district programs related to these sources. This bill would require the state board, if necessary to carry out that duty to achieve those ambient air quality standards, to adopt and enforce rules and regulations applicable to indirect sources of emissions. The bill would require the state board to establish a schedule of fees on facilities and mobile sources to cover the reasonable costs of implementing and enforcing the regulations and would require the fees to be deposited in the Air Pollution Control Fund and made available to the state board upon appropriation by the Legislature. The bill would require each air district, no later than 120 days after the adoption by the state board of indirect source regulations, to determine if the district or the state board will implement and enforce those regulations within its jurisdiction, as specified. The bill would require the state board to annually prepare a presentation on the impacts and effects of any indirect source regulations that it adopts and to post that presentation on its internet website. This bill contains other related provisions and other existing laws. (Based on 05/23/2025 text)

AB 1106 (Rodriguez, Michelle, D) State Air Resources Board: regional air quality incident response program.

Current Text: 03/24/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/20/2025

Last Amended: 03/24/2025

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/7/2025)(May be acted upon Jan 2026)

Location: 05/23/2025 - Assembly 2 YEAR

Summary: Current law generally designates the State Air Resources Board as the state agency with the primary responsibility for the control of vehicular air pollution, and air pollution control districts and air quality management districts with the primary responsibility for the control of air pollution from all sources other than vehicular sources. Current law requires the state board to inventory sources of air pollution within the air basins of the state, determine the kinds and quantity of air pollutants, and monitor air pollutants in cooperation with districts and other agencies. This bill would require the state board to expand its incident air monitoring program, subject to an appropriation by the Legislature for those purposes, to provide support for a regional network of air quality incident response centers operated by air districts, including at least one located in the South Coast Air Quality Management District, in order to facilitate emergency air monitoring response at the local and regional level. Prior to the state board establishing an air quality incident response center within an air district, the bill would require the state board to coordinate and develop operational plans for the air quality incident response centers with the relevant air districts. Last Amended: 03/24/2025

Status: 03/25/2025 - Re-referred to Com. on NAT. RES.

Location: 03/24/2025 - Assembly Natural Resources

Summary: The California Global Warming Solutions Act of 2006 authorizes the State Air Resources Board to include in its regulation of those emissions the use of market-based compliance mechanisms. Current law requires all moneys, except for fines and penalties, collected by the state board from the auction or sale of allowances as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction

Fund. Current law continuously appropriates portions of the fund for various purposes. Current law requires the state board to implement various programs to improve air quality, including air monitoring programs, grant programs, community emissions reduction programs, programs to reduce mobile and stationary sources of criteria air pollutants or toxic air contaminants, and various incentive programs to purchase or retrofit vehicles that meet specified criteria. This bill would continuously appropriate 10% of the annual proceeds of the fund to the state board to provide funding for purposes of awarding grants, providing technical assistance, supporting community participation, and offering incentives in connection with specified programs to improve air quality, thereby making an appropriation. Location: 05/01/2025 - Assembly 2 YEAR

Summary: Existing law establishes a motor vehicle inspection and maintenance (smog check) program that is administered by the Department of Consumer Affairs. The smog check program requires inspection of motor vehicles upon initial registration, biennially upon renewal of registration, upon transfer of ownership, and in certain other circumstances. Existing law exempts specified vehicles from being inspected biennially upon renewal of registration, including, among others, all motor vehicles manufactured prior to the 1976 model year. Existing law also exempts from specified portions of the smog test a collector motor vehicle that is insured as a collector motor vehicle, is at least 35 model years old, complies with the exhaust emissions standards for that motor vehicle's class and model year as prescribed by the department, and that passes a functional inspection of the fuel cap and a visual inspection for liquid fuel leaks. This bill would extend the above exemption from vehicles that were manufactured prior to the 1976 model year, to any motor vehicle that is 30 or more model years old. (Based on 03/24/2025 text)

Introduced: 12/02/2024

Last Amended: 07/16/2025

Status: 09/02/2025 - Read second time. Ordered to third reading.

Calendar: [09/10/25 #43 A-THIRD READING FILE - SENATE BILLS \(Floor Mgr.- Solache\)](#)

Location: 09/02/2025 - Assembly THIRD READING

Summary: Current law generally designates the State Air Resources Board as the state agency with the primary responsibility for the control of vehicular air pollution, and air pollution control districts and air quality management districts with the primary responsibility for the control of air pollution from all sources other than vehicular sources. Current law authorizes air districts to adopt and implement regulations to reduce or mitigate emissions from indirect sources of air pollution. Current law provides for the creation of the South Coast Air Quality Management District in those portions of the Counties of Los Angeles, Orange, Riverside, and San Bernardino included within the area of the South Coast Air Basin, as specified. Current law requires the district to adopt rules and regulations to carry out the south coast district air quality management plan that are not in conflict with state and federal laws and requires those rules and regulations to provide for indirect source controls under certain circumstances. In the event the board of the district takes an action to amend or adopt a rule or regulation that imposes new or additional emissions reduction requirements on sources of air pollution associated with an operation at the Ports of Long Beach and Los Angeles, this bill would require the action to, among other things, require those ports to prepare assessments of energy demand and supply, cost estimates, and funding source, workforce, and environmental impacts associated with the action and create a process by which those ports can request extensions to the timelines developed to achieve the action's targets. SB 69

(McNerney, D) Artificial intelligence program: Attorney General.

Current Text: 06/23/2025 - Amended [HTML](#) [PDF](#)

Introduced: 01/14/2025

Last Amended: 06/23/2025

Status: 08/28/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/20/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Assembly 2 YEAR

Summary: Would require the Attorney General to establish and maintain a specified program to build internal expertise in artificial intelligence, including its applications, risks, regulatory implications, and civil rights impacts. The bill would require, on or before July 1, 2027, and annually thereafter, the Attorney General to submit a public report to the Legislature describing the program, key developments in artificial intelligence law and policy, and recommendations for additional state oversight or safeguards. (Wiener, D) Residential heat pump systems: water heaters and HVAC: installations.

Current Text: 04/29/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/05/2025

Last Amended: 04/29/2025

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/12/2025)(May be acted upon Jan 2026)

Location: 05/23/2025 - Senate 2 YEAR

Summary: Current law requires the State Energy Resources Conservation and Development Commission, on or before January 1, 2019, in consultation with the Contractors State License Board, local building officials, and other stakeholders, to approve a plan that promotes compliance with specified regulations relating to building energy efficiency standards in the installation of central air-conditioning and heat pumps, as specified. Current law authorizes the commission to adopt regulations to increase compliance with permitting and inspection requirements for central air-conditioning and heat pumps, and associated sales and installations, consistent with the above-described plan. The bill would require a city, county, or city and county to adopt and offer asynchronous inspections for installations of residential heat pump water heater or heat pump HVAC systems, as defined, that do not require a licensed contractor and building inspector to be simultaneously present during the inspection. The bill would authorize a building inspector to contact the licensed contractor who performed the installation by telephone call or real-time video conferencing during their inspection, and, if the building inspector determines during an asynchronous inspection that there is an issue with an installation of the heat pump water heater or heat pump HVAC system and that the licensed contractor who performed the installation must be present to perform tests or cure the installation, to require the licensed contractor who performed the installation to schedule an additional inspection in which the building inspector and the licensed contractor who performed the installation are required to be simultaneously present during the additional inspection. SB 318

(Becker, D) Air pollution: stationary sources: best available control technology.

Current Text: 04/24/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/11/2025

Last Amended: 04/24/2025

Status: 05/23/2025 - Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/5/2025)(May be acted upon Jan 2026)

Location: 05/23/2025 - Senate 2 YEAR

Summary: Current law authorizes air districts to establish a permit system to require, with specified exceptions, that a person obtain a permit before constructing or operating any article, machine, equipment, or contrivance that may cause the issuance of air contaminants. Existing law prohibits an air district from issuing a permit to a Title V source, as defined, if the Administrator of the United States Environmental Protection Agency objects to its issuance, as specified. Current law requires each district with moderate, serious, or severe air pollution to include certain measures in its plan to attain state ambient air quality standards, including the use of best available control technology for any new or modified stationary source, and the use of best available retrofit control technology for all existing stationary sources, under certain circumstances, as prescribed. Under the federal Clean Air Act, a new or modified major stationary source is required to meet various requirements in order to obtain a permit to operate, including a requirement that the source employs best available control technology on its emission-emitting equipment. This bill would establish definitions for the terms "best available control technology" and "best available retrofit control technology" for purposes of the laws governing air pollution and would set forth various requirements for the determination of best available control technology. The bill would require an air district to submit a proposed permit for a Title V source to the executive officer of the state board. The bill would require the executive officer to review the permit and, if the executive officer determines that the permit does not to comply with the federal Clean Air Act or state law governing air pollution, to object to the issuance of that permit. If the executive officer objects to the issuance of a permit, the bill would prohibit the air district from finalizing that permit

without revising it to address the objection to the satisfaction of the executive officer. The bill would also authorize any person to petition the executive officer to object to a proposed Title V permit within 30 days of the executive officer's receipt of the proposed permit, as specified. SB 712

(Grove, R) Smog check: motor vehicles: exemption.

Current Text: 07/16/2025 - Amended [HTML](#) [PDF](#)

Introduced: 02/21/2025

Last Amended: 07/16/2025

Status: 08/28/2025 - Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/20/2025)(May be acted upon Jan 2026)

Location: 08/28/2025 - Assembly 2 YEAR

Summary: The smog check program requires inspection of motor vehicles upon initial registration, biennially upon renewal of registration, upon transfer of ownership, and in certain other circumstances. Current law exempts specified vehicles from being inspected biennially upon renewal of registration, including, among others, all motor vehicles manufactured prior to the 1976 model year. Current law also exempts from specified portions of the smog test, both biennially and at transfer, a collector motor vehicle that is insured as a collector motor vehicle, is at least 35 model years old, complies with the exhaust emissions standards for that motor vehicle's class and model year as prescribed by the department, and that passes a functional inspection of the fuel cap and a visual inspection for liquid fuel leaks. This bill, known as Leno's Law, would, commencing on January 1, 2027, additionally fully exempt from the smog check requirements, both biennially and at transfer, a motor vehicle that was manufactured prior to the 1981 model year, has been assigned a special identification plate indicating that it is a historical vehicle, and is insured as a collector motor vehicle, as specified. The bill, beginning January 1, 2028, would expand this exemption by one model year, every year, for 5 years. (Based on 07/16/2025 text)

State and Federal Legislative Updates

Policy, Grants, and Technology Committee

September 17, 2025

Viet Tran

Deputy Executive Officer

Public Affairs

Presentation Outline

I. State Legislative Update

- Air District Co-Sponsored Bill
- Board-Approved-Position Bills
- Additional Bills of Interest

II. State Budget Update for Fiscal Year (FY) 2025-26

III. Federal Legislative Update

Abbreviations: Assembly Bill (AB) | Senate Bill (SB) | Assembly Constitutional Amendment (ACA)

State Legislative Update

Dates and Deadlines:

October 12, 2025	Last day for the Governor to sign or veto bills passed by the Legislature before September 12 and in the Governor's possession on or after September 12.
January 1, 2026	Statutes take effect.
January 5, 2026	Legislature Reconvenes.

State Legislative Update

Co-Sponsored Bill

AB 14 (Hart)

Coastal resources: Protecting Blue Whales and Blue Skies Program

This bill will expand the existing Protecting Blue Whales and Blue Skies vessel speed reduction (VSR) program to include ocean territories that are not covered by any VSR program.

Status: Awaiting a concurrence vote on the Assembly Floor for amendments made in the Senate.

Position: Co-Sponsor (approved by the Board on February 5, 2025)

State Legislative Update

Board-Approved- Position Bills

AB 339 (Ortega)

Local public employee organizations: notice requirements

This bill would require the governing body of a public agency, and boards and commissions designated by law or by the governing body of a public agency, to give the recognized employee organization no less than 45 days' written notice before issuing a request for proposals, request for quotes, or renewing or extending an existing contract to perform services that are within the scope of work of the job classifications represented by the recognized employee organization, subject to certain exceptions. The bill would require the notice to include specified information, including the anticipated duration of the contract.

Status: Ordered to Engrossing and Enrolling

Position: Oppose (approved by the Board on April 2, 2025)

AB 546 (Caloza)

Health care coverage: portable high-efficiency particulate air (HEPA) purifiers

This bill requires a large group health plan contract or group health insurance policy, to cover one portable HEPA purifier (up to \$500) for emergency declarations after January 1, 2025 for enrollees or insureds who are pregnant or diagnosed with asthma or chronic obstructive pulmonary disease, residing in or displaced from a county where a local or state emergency has been declared due to wildfires and the HEPA purifier is prescribed by a health care provider.

Status: Ordered to Engrossing and Enrolling

Position: Support (approved by the Board on March 5, 2025)

AB 907 (Chen)

State Air Resources Board: board members: compensation

The bill proposal would provide that the California Air Resources Board (CARB) board members representing air districts receive the same level of compensation as other Governor-appointed voting CARB board members. Per current statute, Health and Safety Code Section 39512.5, air district CARB Board members only receive \$100 per meeting plus actual and necessary expenses.

Status: 2-Year Bill

Position: Support (approved by the Board on February 5, 2025)

AB 914 (Garcia)

Air pollution: indirect sources

This bill would require CARB to develop and enforce rules related to indirect sources of emissions, establish a fee for such sources, and directions on rule development mechanism.

Status: 2-Year Bill

Position: Work With Author (approved by the Board on May 7, 2025)

SB 34 (Richardson)

Air pollution: South Coast Air Quality Management District (South Coast AQMD): mobile sources: Ports of Long Beach and Los Angeles

Imposes specified conditions and limits on actions by the South Coast AQMD to impose new or additional emissions reduction requirements on sources of air pollution associated with operation of the Ports of Long Beach and Los Angeles until 2031.

Status: Awaiting a vote on the Assembly Floor.

Position: Oppose (Approved by the Board on July 2, 2025)

SB 712 (Grove)

Smog check: motor vehicles: exemption

This bill would create a “rolling exemption” from California’s Smog Check Program (Smog Check) for collector motor vehicles thirty-five model years or older if the vehicles are insured as collector vehicles and have historic license plates.

Status: Held under submission in the Assembly Appropriations Committee. This bill is dead.

Position: Oppose (approved by the Board on April 2, 2025)

Additional Bills of Interest

AB 604 (Aguiar-Curry)

Redistricting: congressional districts

Specifies the boundaries for California's congressional districts, to take effect only if the voters approve ACA 8 (Rivas and McGuire) of the current legislative session, and if another state voluntary engages in mid-decade congressional redistricting, as specified.

Status: Approved by the Governor (Chapter 96, Statutes of 2025)

Position: None

SB 280 (Cervantes)

Elections

This bill calls a special statewide election for November 4, 2025, requires the Secretary of State (SOS) to submit ACA 8 (Rivas and McGuire) of 2025 to the voters for their consideration, and provides for the conduct of the election. This bill also provides modifications for the June 2, 2026, statewide primary election if ACA 8 is approved by voters.

Status: Approved by the Governor (Chapter 97, Statutes of 2025)

Position: None

ACA 8 (Rivas)

Congressional Redistricting

Provides for the temporary use of new congressional district maps for elections held through 2030 if Texas, Florida, or other states voluntarily put a new congressional map into effect, as specified, and if voters approve this measure.

Status: Resolution Chapter 156, Statutes of 2025

Position: None
