Air District continues public hearing on proposed amendments to Regulation 6, Rule 5: Particulate Emissions from Refinery Fluidized Catalytic Cracking Units

SAN FRANCISCO – On Wednesday, July 21, the Board of Directors of the Bay Area Air Quality Management District will continue a public hearing at 8:30 AM to consider the proposed adoption of amendments to Regulation 6, Rule 5: Particulate Emissions from Refinery Fluidized Catalytic Cracking Units.

- WHAT:** Fluidized catalytic cracking units are the largest single source of particulate matter emissions at petroleum refineries. Further reductions of particulate matter emissions are needed to ensure attainment and maintenance of state and national ambient air quality standards and to provide clean air and public health benefits.
- WHO:** Bay Area Air Quality Management District
- WHEN:** Wednesday, July 21, 8:30 AM
- WHERE:** To join via web browser: <https://bayareametro.zoom.us/j/84389950898>
To join via phone: (408) 638-0968 or (669) 900-6833
