SUBJECT: ASBESTOS OPERATIONS FEES CHANGE FOR REGULATED ASBESTOS CONTAINING MATERIAL MASTIC RENOVATION OPERATIONS

On June 5, 2019, the Bay Area Air Quality Management District (Air District) Board of Directors approved a new fee schedule for asbestos operations (demolitions and renovations). The Asbestos Operations Fee for Regulated Asbestos Containing Material (RACM), floor mastic removal using mechanical buffers and solvent, has been deleted. RACM floor mastic is now subject to the Asbestos Operations Fees based on the removal amount.

The new fees are effective on or after July 1, 2019. Full payment of applicable fees is required at the time of notification submittal. The Asbestos Operations Fees, Schedule L is on the reverse side.
