BAY AREA AIR QUALITY MANAGEMENT DISTRICT

# PUBLIC NOTICE

**May 3rd, 2024**

TO: Parents or guardians of children enrolled at the following school(s):

**Crossroads High School**
**Olympic Continuation High School**

All residential and business neighbors located within 1,000 feet of the proposed new or modified source(s) of air pollution listed below.

FROM: Bay Area Air Quality Management District

RE: Permit Application # 695981 for the following source(s) of air pollution:

**New Emergency Standby Diesel Generator Set**
**Blue Oak Square**
**2400 Willow Pass Road, Concord, CA 94520**

---

The Bay Area Air Quality Management District (the "District") is a local agency that regulates stationary sources of air pollution such as factories, industrial sites, and gasoline stations.

Whenever we receive a permit application for a new or modified source(s) of toxic air contaminants located within 1,000 feet of a school site or within a community that is overburdened by air pollution, we notify the public about the proposed project. To comply with Air District requirements, we distribute or mail a Public Notice to the parents or guardians of students enrolled at schools located within ¼ mile, and all residents and businesses located within 1,000 feet, of the proposed source(s).

You are receiving this Public Notice because a permit application has been filed with the District for the above referenced source(s) of air pollution. A description of the proposed project follows:

***Blue Oak Square*** has applied for an Authority to Construct and/or Permit to Operate an Emergency Standby Diesel Generator Set.

***PRELIMINARY EVALUATION***

The District has evaluated the permit application for the proposed project and has made a preliminary determination that the project is expected to comply with all applicable District, state, and federal air quality-related regulations, including the health risks resulting from toxic air contaminant emissions. The preliminary recommendation is to issue a permit for this project. After considering all comments received, the District will make a final determination.

***ADDITIONAL INFORMATION***

The Air District's Community Health Protection Program is focused on reducing air pollution disparities in overburdened communities. For more information on Air District activities in your community, consult the Air District's website at:

https://www.baaqmd.gov/community-health

If you are interested in getting more information about this project, you may obtain a copy of the District's evaluation report from the Air District's website at:
