Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review Permit for Owens-Brockway Glass Container, Inc. (Facility Number A0030).

The purpose of this administrative amendment is to change the Responsible Official information for this site. Pursuant to District Regulation 2-6-201, a replacement of the facility's responsible official is a non-substantive adminstrative amendment to a major facility review permit.

The District will also notify the California Air Resources Board that the permit has been amended.

 The amended permit can be viewed on the BAAQMD website at: http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this matter, please call Barry Young, Engineering Manager, at (415) 749-4721.

Sincerely yours,

_____
