Dear Owner:

SUBJECT: PERMIT TO OPERATE ISSUED

---

This letter is regarding the following application:

Application No.: 714744

Equipment Location:

Facility ID No.: 55  
Lockheed Martin Corporation  
1111 Lockheed Martin Way  
Sunnyvale, CA 94089-4089

The Air District has taken action on the above application and issued a Permit to Operate for the following:

**S5341 Solvent Cleaning Operation      New**

The equipment described above is subject to the following permit condition(s): 100533

Please review your permit documents. If you have any questions on this matter, please contact Perry Ng, Air Quality Engineer at [png@baaqmd.gov](mailto:png@baaqmd.gov) (Preferred) or (415) 749-4910. Please include your application number with any correspondence. The Air District's regulations may be viewed online at [www.baaqmd.gov](http://www.baaqmd.gov).

Very truly yours,

Pamela J. Leong  
Director, Engineering Division
