Dear Ms. Jordan:

The District has completed its evaluation of the application for renewal of the Major Facility Review Permit for the following facility:

Application Number	Facility Number	Facility Name	Address	Type of Operation
21441	A0591	East Bay Municipal Utility District	2020 Wake Avenue Oakland, CA 94607	Treated Municipal Wastewater

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The initial Title V permit for this facility was issued on July 1, 1997 and renewed on July 26, 2005. A description of any subsequent revisions to the permit can be found in Section X of the permit entitled "Revision History". All proposed changes to the current permit are shown in strikeout/underline format.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.
