Application Number	Facility Number	Facility Name	Address, City	Type of Operation
8095	A0732	Graphic Packaging International, Inc.	2600 De La Cruz Blvd Santa Clara, CA 95050-2663	Recycled Paperboard Mill and Cogeneration Plant

The reason for this action is that the notice was inadvertently published in a newspaper with a general circulation that is not in Santa Clara County. The notice will now be noticed in the San Jose Mercury News. The permit is being re-proposed to you so that the public comment period will end before the EPA review period.

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The final date to submit comments is August 29, 2011.

The initial Title V permit for this facility was issued on February 16, 1999. Details of the previous revisions can be found in Section X of the permit "Revision History". All changes to the most recent version of the permit are clearly shown in strikeout/underline format.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: <http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,

Signed by Jeff McKay for Jack P. Broadbent
