The Air Pollution Control Officer invites written comment on the proposed renewal Title V permit for the facility listed above. Comments must be received by April 10, 2022. Any interested person may also request a public hearing for this permit.

Major Facility Review Permits are also subject to review by US EPA. If US EPA does not object to a proposed permit or a member of the public feels that the Air District has not addressed a public comment in a satisfactory manner, the public may, within 60 days after the end of the 45-day US EPA review period, petition US EPA to reconsider their decision to not object to the permit. Petitions shall be submitted to US EPA Region 9, Operating Permits Section, at 75 Hawthorne Street, San Francisco, CA 94105.

The proposed permit and statement of basis may be viewed on the Air District website at the following address: http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits.
