Dear Ms. Jordan:

The District is issuing a revision to the Major Facility Review permit for the following facility:

ALAMEDA COUNTY

Tom Bates
Scott Haggerty
Janet Lockhart
Nate Miley

Facility #	Facility Name	Address, City	Type of Operation
A0901	Valero Benicia Asphalt Plant	3001 Park Road Benicia, CA 94510	Petroleum Refinery/ Asphalt Plant

CONTRA COSTA COUNTY

John Gioia
Mark Ross
(Chair)
Michael Shimansky
Gayle B. Uilkema

The purpose of the revision is to incorporate changes resulting from fourteen District permit applications. This permit was originally proposed for public comment on October 12, 2006 and the public comment period ended on November 24, 2006. Valero submitted numerous minor comments regarding equipment that has been removed from service, clarifications of regulation citations, and typographical errors. The district proposed the permit for public comment again because of the large number of comments that had been addressed since the permit was initially proposed on October 12, 2006. The second public comment period ended on August 31, 2007.

MARIN COUNTY

NAPA COUNTY

The District received no comments from EPA, ARB, or the public.

SAN FRANCISCO COUNTY

Gavin Newsom

Comments were received from the facility. In response to the comments, we made the following administrative changes to the permit:

- The facility contact and phone number were changed
- References to "Valero LP (Facility B5574)" were changed to "Facility B5574" in part VI and Tables IIA, IV-B, VII-B, VII-B, and IX B-1 because Valero LP has changed its name to Nu Star LP

SAN MATEO COUNTY
