Dear Mr. Lakin:

The District has completed its evaluation of the application for renewal of the Major Facility Review Permit for the following facility:

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider any public and/or EPA comments on the proposed permit. The notice inviting written public comment will be published in the East Bay Times (Contra Costa Times). The final date for members of the public to submit comments is April 23, 2018.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,
