Connect with the
Bay Area Air District:

May 17, 2021

Mr. Gerardo Rios
Permits Office Chief
United States Environmental Protection Agency Region 9
Air-3-1
75 Hawthorne Street
San Francisco, CA 94105

Dear Mr. Rios:

This is to advise you that the Bay Area Air Quality Management District is issuing the renewal Major Facility Review permit for the following facility.

Facility	Facility Name	Application	Permit Engineer	City	County
A2266	Browning-Ferris Industries of CA, Inc.	29530, 26101, 28883, 29761, 30549	N. Sandhu	Half Moon Bay	San Mateo

The 30-day public comment period for the proposed renewal permit ended on April 14, 2021 and the 45-day EPA review period ended on April 29, 2021. The Air District did not receive any comments on the proposed permit from EPA, ARB, or the public. Air District staff received some clarification comments from the facility, BFI, which were responded to and accepted by the facility.

The final permit can be viewed on the BAAQMD website at http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits. We will also post the final permit to the EPA Central Data Exchange. If you have any questions regarding this permit, please contact Dennis Jang, Supervising Air Quality Engineer, at djang@baaqmd.gov.

Sincerely yours,

Jack P. Broadbent
Executive Officer/Air Pollution Control Officer
