Dear Mr. Rios:

This is to inform you that the Air District is cancelling the Title V permit for the facility listed below.

Facility Number	Facility Name	Application Number	Permit Engineer	City	County

The Title V permit is being cancelled because the facility has been permanently shut down as of December 7, 2021 and is no longer subject to Title V permit requirements.

The Air District has also notified the California Air Resources Board and the facility in writing that the Title V permit has been cancelled.

If you have any questions regarding this matter, please call Dennis Jang, Supervising Air Quality Engineer, at djang@baaqmd.gov.
