Dear Ms. Jordan:

This is to advise you that the Bay Area Air Quality Management District is issuing the renewal Major Facility Review Permit for the following facility.

Facility	Facility Name	Application	Permit Engineer	City	County
A3294	Guadalupe Rubbish Disposal	24359	T. Endow	San Jose	Santa Clara

The 30-day public comment period for the proposed renewal permit ended on November 19, 2013 and the 45-day EPA review period ended on November 29, 2013. The District did not receive any comments on the proposed permit from the applicant, ARB, or the public.

The District has decided to issue the permit renewal. Please be aware that administrative changes have been made to Permit Condition 6188, Part 14 to conform to current standard language, and additional detail was added to Tables VII-C and VIII to clarify alternate wellhead limits in the final permit. The final permit can be obtained on the BAAQMD website at http://www.baaqmd.gov/Divisions/Engineering/Title-V-Permit-Programs/Title-V-Permits.aspx . We will also send the final permit to you via the Electronic Permit Submittal System. If you have any questions regarding this permit, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Sincerely yours,
