Dear Ms. Adams:

This is to advise you that the Bay Area Air Quality Management District is issuing a minor revision to the Major Facility Review Permit for the facility listed below.

Facility	Facility Name	Application	Permit Engineer	City	County
A4618	Keller Canyon Landfill Company	28399	D. Zhu	Pittsburg	Contra Costa

The purpose of this minor permit revision is to incorporate permit condition changes that were issued pursuant to District new source review permit application #28398. These permit condition changes updated the landfill gas collection system description and authorized additional gas collection system alterations. These condition changes do not result in any emission increases and do not change any applicable requirements or monitoring provisions.

Enclosed is a copy of the final revised permit. If you have any questions regarding this permit, please contact Dennis Jang, Supervising Air Quality Engineer, at (415) 749-4707 or djang@baaqmd.gov.

Sincerely yours,

Signed by Pamela J. Leong
