This is to advise you that the Bay Area Air Quality Management District is issuing an administrative amendment to the Major Facility Review permit for the following facility.

MARIN COUNTY
Katie Rice
(Chair)

Facility Number	Application Number	Facility Name	Address	Type of Facility

NAPA COUNTY
Brad Wagenknecht

SAN FRANCISCO COUNTY

(SF Mayor's Appointee)

The purpose of this amendment is to change the source descriptions for eleven existing storage tanks and to change the facility contact from John Paul Nepote to Paul Siler and the BAAQMD contact from Arthur Valla to Krishnan Balakrishnan. The change in source descriptions qualify as an administrative amendment because the changes are not "alterations of applicable requirements" per BAAQMD Regulation 2-6-201.
