Bay Area Air Quality Management District Administrative Code

Section One. Title and Purpose

1.1 Title

This Code shall be known as the “Bay Area Air Quality Management District Administrative Code” or “Air District Administrative Code.”

1.2 Purpose and Overview

This Code sets forth the governance, administrative, and financial provisions for the Bay Area Air Quality Management District (hereafter “Air District”), the method of appointment of Air District employees, and procedures for the operation and management of the Air District.

The Air District is an independent special district created, pursuant to Chapter 4 of Part 3 of Division 26 of the California Health and Safety Code, to regulate stationary sources of air pollution in the nine counties that surround San Francisco Bay: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, southwestern Solano, and southern Sonoma counties.

1.3 Adoption and Amendment of the Air District Administrative Code

This Code is adopted and may be amended by ordinance of the Board of Directors, after review and recommendation by the Finance and Administration Committee. The Board of Directors shall ensure that the Air District Administrative Code is reviewed at least every five (5) years, and the Board of Directors shall approve amendments, as necessary.

1.4 Air District Seal

The Air District may provide for and adopt an official seal. The seal of the Air District shall be used only for purposes directly connected with the official business of the Air District.

1.5 Non-Discrimination

The Air District is committed to non-discrimination and equity throughout the organization and in carrying out the agency’s mission. The Board of Directors shall adopt by resolution a Non-Discrimination Policy to articulate this commitment and to ensure compliance with all legal obligations, including without limitation the Equal Protection Clause of the Fourteenth Amendment to the U.S. Constitution, Title VI of the Civil Rights Act of 1964, and California Government Code Section 11135. The Air Pollution Control Officer (“APCO”) shall implement this Non-Discrimination Policy and shall ensure that the Policy is communicated in a transparent fashion to Air District staff and to the public and is posted on the Air District’s website.

Section Two. Board of Directors

2.1 Appointment

The Board of Directors is the governing body of the Air District and consists of members appointed pursuant to Article 3 of Chapter 4 of Part 3 of Division 26 of the Health and Safety Code. (Health and Safety Code section 40220 *et seq.*)

2.2 Terms

Each member of the Board of Directors appointed by a board of supervisors shall hold office for a term of four years and until the appointment and qualification of their successor, and each member appointed by a city selection committee shall hold office for a term of two years and until the appointment and qualification of their successor. (Health and Safety Code section 40222.)

2.3 Quorum

A majority of the members of the Board of Directors constitute a quorum for the transaction of business. The Board may meet only when a quorum is present. (Health and Safety Code section 40226.)

2.4 Action

Unless otherwise specified in state law or this Administrative Code, an action of the Board of Directors shall require the presence of a quorum and the affirmative vote of a majority of the total membership of the Board. The Board may act by ordinance, resolution, or motion. (Government Code section 54952.6; Health and Safety section 40226.)

2.5 Rules of Procedure

The Board of Directors shall adopt Rules of Procedure to govern the conduct of its meetings. The Board of Directors may amend those Rules to conform to changes in law or as otherwise needed.

2.6 Board of Directors Meetings

(a) Location

All regular meetings of the Board of Directors and all regular meetings of Board Committees shall be held at the offices of the Air District located at 375 Beale Street, San Francisco, California.

(b) Regular Meeting Time

The Board of Directors shall adopt annually by resolution a schedule of regular meetings for each calendar year. Regular meetings of the Board of Directors shall be held on the first Wednesday of each month, beginning at the hour of 10:00

a.m., and at additional dates and times as specified in the annual meeting schedule adopted by the Board.

(c) Special Meetings

A special meeting may be called whenever the business of the Air District may require it. A special meeting may be called at the request of the Chairperson of the Board of Directors in consultation with the APCO, or at the request of a majority of the members of the Board of Directors. Whenever a special meeting is called, notice shall be given to each member of the Board of Directors at least twenty-four (24) hours in advance, and to others as required by law, stating the date and hour of the meeting, the location of the meeting, and the purpose for which the meeting is called. No business shall be transacted at the meeting except as stated in the notice. (Government Code section 54956.)

(d) Use of Remote Teleconferencing

The Board of Directors shall hold regular meetings at the location specified in subsection 2.6(a) above. The Board of Directors may hold any meeting using remote teleconferencing technology in accordance with Government Code sections 54953(b) and (f), with the exception that remote teleconference attendance shall not be allowed (except for “just cause” or “emergency circumstances” remote teleconferencing where authorized by Government Code section 54953(f)) for a meeting at which the Board of Directors is to adopt the budget or is to hold a public hearing for adoption of a rule or regulation, or upon special circumstances at the call of the chair.

As a courtesy to and for the convenience of members of the public, the Board of Directors may provide a webcast or streaming service for any meeting to allow members of the public to watch or participate in the meeting virtually. By choosing to participate in a meeting virtually, members of the public accept the risk that in the event of a disruption to the webcast or streaming service, the Board will continue with its meeting. (Government Code sections 54950 *et seq.*)

2.7 Officers

(a) Officers; Election, Removal

The Board of Directors shall elect a Chairperson and Vice-Chairperson. The Board of Directors shall elect these Officers in November prior to the commencement of the Officers’ terms, or as otherwise necessary to fill a vacancy. The Officers shall serve at the pleasure of the Board of Directors and may be removed by a two-thirds vote of the membership of the Board of Directors held at a regular meeting.

(b) Terms of Officers

The Chairperson and Vice-Chairperson shall serve two-year terms, which shall begin on January 1 of each even-numbered year. Members of the Board of Directors elected to serve as Chairperson and Vice-Chairperson for the one-year 2024 term under the predecessor to this Code shall serve in those positions for the two-year 2024-2025 term under this Code. No member of the Board of Directors may serve more than four years in any one office.

(c) Officer Rotation

The Officer positions shall be rotated among the members of the Board of Directors in a manner to assure participation in the affairs of the Air District from a wide representation of the membership. In selecting members to serve as Officers, the Board of Directors shall consider and balance representation by members appointed by Boards of Supervisors, members appointed by City selection committees, members from large counties, and members from small counties, as well as geographic representation from all parts of the Bay Area, although the Board need not follow any strict rule of rotation.

(d) Chairperson

The Chairperson's duties include without limitation:

- (1) Presiding over the meetings of the Board of Directors.
- (2) Signing all ordinances and resolutions adopted by the Board of Directors while the Chairperson presides.
- (3) Appointing members of committees of the Board of Directors.

(e) Vice-Chairperson

The Vice-Chairperson shall have the following duties:

- (1) In the event the Chairperson is unable to attend a meeting, the Vice-Chairperson shall preside over the meeting and shall sign ordinances and resolutions adopted at the meeting.
- (2) In the event that the Chairperson is unable, for whatever reason, to fulfill their term of office, the Vice-Chairperson shall succeed the Chairperson.

2.8 Non-interference in administration affairs

The Board of Directors and its members shall deal with the administration of the Air District only through the APCO, except for the purpose of inquiry, and neither the Board of Directors nor any member thereof shall give orders or direction to any subordinates of the APCO, without the express consent of the APCO. The APCO shall take their orders and instructions from the Board of Directors only when sitting in a duly held meeting of

the Board, and no individual member of the Board of Directors shall give any orders or instructions to the APCO.

Except as expressly provided in this Administrative Code, the Board of Directors, and its members, shall have no power or authority over, nor shall they dictate, suggest, or interfere with respect to, any appointment, promotion, compensation decision, disciplinary action, contract or requisition for purchase, or other administrative action or recommendation of the APCO.

Violation of this section of the Administrative Code constitutes official misconduct.

2.9 Compensation for attendance at meetings

Each member of the Board of Directors shall be entitled to compensation for attendance at meetings as follows:

(a) Meetings eligible for Compensation

- (2) Other meetings while on official business of the Air District as authorized under the Meeting Compensation and Expense Reimbursement Policy adopted pursuant to Section 2.10.

(b) Attendance requirements

A member of the Board of Directors shall be entitled to compensation for attending a meeting of the Board or a Board Committee only if:

- (1) The member arrives for the meeting no later than 30 minutes after the scheduled beginning of the meeting; and
- (2) The member is present at the meeting for at least three quarters ($\frac{3}{4}$) of the total meeting time, including closed session time.

(c) Amount of compensation

Members of the Board of Directors shall be entitled to compensation of one hundred dollars (\$100) per meeting for attendance at meetings under this Section 2.9, up to a maximum of two hundred dollars (\$200) per day; plus, compensation for active transportation travel calculated as specified in Paragraph (d) below. No Board member may receive compensation of more than six thousand dollars (\$6,000) in any calendar year for meeting attendance pursuant to this Section 2.9.

(d) Active Transportation Calculation

Compensation for active transportation travel pursuant to Paragraph (c) above shall be calculated as follows:

(1) \$1.56 per mile for travel by personal/private non-motorized bicycle or similar nonmotorized pedal-operated vehicle; and

(2) \$1.50 per mile for travel on foot or by wheelchair.

For multi-modal travel, compensation shall be provided only for miles traveled using the alternative transportation travel modes specified in this Paragraph (d). Members shall provide to the Clerk of the Boards the date of travel, starting and ending points, and purpose of travel when claiming compensation, and must document the distance traveled with a printout from a map website such as Google Maps.

2.10 Expense Reimbursement

Members of the Board of Directors are entitled to receive reimbursement for actual and necessary expenditures incurred in connection with the performance of their official duties. Pursuant to Government Code section 53232.2, the Board of Directors shall adopt a written Meeting Compensation and Expense Reimbursement Policy, at a public meeting, specifying the types of occurrences that qualify a member to receive reimbursement for expenses relating to travel, meals, lodging, and other actual and necessary expenses. The Expense Reimbursement Policy shall also apply to other boards and councils of the Air District as specified in this Code. Members of the Board of Directors and other covered boards and councils may receive reimbursement only as provided in the Policy and subject to the Policy's requirements. Members shall comply with the limits and reporting requirements of federal, state, and local law.

2.11 Report of County Populations

Appointments to the Board of Directors are determined by the population of the counties within the geographical jurisdiction of the Air District at the time of appointment according to the provisions of Health and Safety Code sections 40221 and 40221.5. The Clerk of the Boards shall report to the Board of Directors each year the population of each county included, in whole or in part, within the Air District's jurisdiction according to the latest estimate prepared by the Demographic Research Unit of the Department of Finance. For counties for which only a portion of the county is included within the Air District's jurisdiction, the Clerk of the Boards shall report the population of that portion within the Air District's jurisdiction. (Health and Safety Code section 40220.5.) The Clerk of the Boards shall report the populations promptly after the Demographic Research Unit publishes its estimates.

Section Three. Committees of the Board of Directors

3.1 Purpose

The Board of Directors establishes standing committees to advise and make recommendations to the Board on matters within the scope of the committee's

jurisdiction. In addition to the functions specified herein, any committee may also consider additional matters as referred by the Board of Directors. Except where explicitly authorized in this Code, the standing committees shall not have authority to approve any action or policy on behalf of the Board of Directors, to alter, change, or reverse any action or policy established by the Board of Directors, or to authorize the expenditure of any funds.

In the normal course of business, matters will be considered by the relevant committee(s) before being considered by the Board of Directors. However, the Board of Directors may take up any matter directly, without previous consideration by a committee, when necessary and appropriate.

3.2 Standing Committees

The standing committees of the Board of Directors are the following:

(a) Community Equity, Health, and Justice Committee

The Community Equity, Health, and Justice Committee advises and makes recommendations to the Board of Directors regarding equitable and inclusive actions the Air District takes to create a healthy breathing environment and clean air for the people of the Bay Area, regardless of race, ethnicity, age, gender identity, economic status, national origin, immigration status, ability, sexual orientation, or other distinguishing characteristics. The Committee oversees the development of policies for both internal and external operations impacting the Bay Area. Internal operations include applying an equity lens to programs, policies, and procedures related to staffing, recruitment, promotions, inclusive workplace practices, contracting for capital projects and services, and ongoing racial equity training. The committee prioritizes traditionally marginalized and underserved communities for investment opportunities to ensure communities overburdened by air pollution receive the programmatic, policy, and investment resources most needed.

The Community Equity, Health, and Justice Committee also advises and makes recommendations to the Board of Directors regarding the overall direction of the Air District's community engagement activities, civil rights compliance, and the implementation of Assembly Bill 617 (Stats. 2017, Ch. 136), including community selection and approval of Community Emission Reduction Plans. It is also the lead committee interacting and partnering with the Community Advisory Council. The Committee also advises and makes recommendations to the Board of Directors regarding grants related to matters within its jurisdiction.

(b) Finance and Administration Committee

The Finance and Administration Committee advises and makes recommendations to the Board of Directors relating to the administration of the Air District's programs and activities, including but not limited to policies regarding finance,

procurement, employment, salaries, working conditions, insurance, and the retaining of consultants.

The Finance and Administration Committee advises and makes recommendations to the Board of Directors with respect to strategic planning regarding the goals and objectives of the Air District. The Committee considers and recommends to the Board of Directors each year proposed updates and/or changes to the Air District's strategic plan, considering the goals and objectives and short- and long-range plans of the California Air Resources Board, as appropriate. The Committee uses the strategic plan approved by the Board of Directors to review and develop the proposed budget each year.

The Finance and Administration Committee oversees the preparation of the Air District's annual budget and presents the annual proposed budget with recommendations to the Board of Directors. At budget review time each year, the Committee evaluates the Air District's goals and objectives, financial plan, and fee schedules and recommends appropriate changes to the Board of Directors. The proposed budget prepared by the APCO is automatically deemed referred to the Finance and Administration Committee for consideration, without need for further action by the Board of Directors.

The Finance and Administration Committee receives and reviews the Air District's annual audited financial statement reports from the independent financial auditors and reports any findings or recommendations to the Board of Directors. The Committee also receives and reviews reports from independent management performance auditors and reports any findings or recommendations to the Board of Directors.

The Finance and Administration Committee keeps itself informed as to the work of the Advisory Council and Hearing Board, and it recommends to the Board of Directors the appointment of members of the Advisory Council and Hearing Board whenever vacancies occur on those bodies.

The Finance and Administration Committee considers and recommends updates or revisions to this Code as may from time to time become necessary.

The Finance and Administration Committee is the successor to, and performs all the functions of, the Personnel Committee as that committee existed prior to January 1, 2023.

(c) Nominating Committee

The Nominating Committee considers and makes recommendations to the Board of Directors regarding candidates for Board Officer positions. In making its recommendations, the Nominating Committee shall consider the principles governing officer rotation as set forth in Section 2.7(c), although it need not follow any strict rule of rotation.

The Nominating Committee consists of the Chairperson of the Board, the past Chairperson of the Board, and three (3) appointees of the Chairperson of the Board (or in the event the past Chairperson is no longer serving on the Board, four (4) appointees of the Chairperson of the Board). The Chairperson shall appoint the Nominating Committee no later than October 15th of the final year of the Board Officers' terms, and the Committee shall meet in November of that year to recommend candidates to the Board of Directors for Board Officers for the upcoming terms. The Nominating Committee members shall serve until the appointment of a new Committee, and shall recommend candidates to the Board of Directors in the event a Board Officer position becomes vacant in the middle of a term.

(d) Policy, Grants, and Technology Committee

The Policy, Grants, and Technology Committee advises and makes recommendations to the Board of Directors on policies and funding related to sources and activities that affect air pollution and climate impacts that do not fall within the jurisdiction of the Stationary Source Committee. In particular, the Committee advises and makes recommendations to the Board of Directors on policies and funding related to transportation and mobile sources, as well as equity for impacted communities related to these sectors. The Committee also advises and makes recommendations to the Board of Directors on policies and funding to catalyze innovation and incentivize low-carbon-intensity practices. The Committee also advises and makes recommendations to the Board of Directors relating to legislative advocacy. The Committee adopts legislative priorities each year to guide the work of the Committee and Air District staff related to legislative advocacy.

(e) Stationary Source Committee

The Stationary Source Committee advises and makes recommendations to the Board of Directors relating to the air quality and climate impacts of stationary sources, including indirect sources. The Committee advises and makes recommendations to the Board of Directors regarding all aspects of the Air District's stationary source programs, including but not limited to the following: permitting, compliance, small business assistance, rule development, California Environmental Quality Act thresholds of significance, and state and federal regulations that affect stationary sources. The Committee advises and makes recommendations to the Board of Directors regarding air quality planning and the development and implementation of State and Federal Air Quality Management Plans, as well as support for regional and local climate planning.

3.3 Standing Committee Procedures

(a) Meetings

The Board of Directors shall adopt annually by resolution a committee meeting calendar setting the time and place for meetings of each standing committee. Standing committees may hold any meeting using remote teleconferencing technology in accordance with Government Code sections 54953(b) and (f).

(b) Quorum and Action

A quorum of a standing committee is a majority of the members of the committee. A committee may meet only when a quorum is present. An action of a committee shall require the presence of a quorum and the affirmative vote of a majority of the total membership of the committee.

(c) Minority Report

A standing committee member may submit a Minority Report to accompany a committee recommendation submitted to the Board of Directors, provided that no Air District staff resources are used to prepare such a report.

3.4 Appointments to Committees

The Chairperson shall appoint members of the Board of Directors to the standing committees annually in January, or as soon thereafter as new members are named by their appointing authorities (except for the Nominating Committee, which shall be appointed as specified in Section 3.3(e)). The Chairperson may also appoint members at any time a vacancy occurs. The Chairperson shall ensure that Committee membership is rotated to provide equitable representation of cities and counties and geographical diversity to allow participation in the work of the Air District by as broad a representation as may be possible. In no event shall a committee be composed of a quorum of the Board of Directors or any committee of the Board. The Clerk of the Boards shall report the Committee appointments to the Board of Directors at its first meeting in February of each year, or as soon thereafter as the Committee appointments are made.

[Revised December 3, 2025]

3.5 Ad Hoc Committees

The Chairperson may establish ad hoc advisory committees, composed solely of members of the Board of Directors, constituting less than a quorum of the Board of Directors or any of its standing committees, to accomplish a specific task in a short period of time. The Chairperson shall appoint the members of those ad hoc Committees. The Chairperson shall create each ad hoc committee and appoint its members in writing, which shall specify the task of the committee. An ad hoc committee expires upon completion of its designated task. The Board of Directors may overrule the Chairperson's

decisions regarding the creation, appointment of members, or designated purpose of the ad hoc committee by majority vote. (Government Code section 54952(b).)

3.6 Removal of Committee Members

The Chairperson may remove a member from serving on a standing or ad hoc committee at any time. The Board of Directors may overrule the removal by a majority vote.

Section Four. Advisory Council.

4.1 Advisory Council

Pursuant to Health and Safety Code section 40261, the Board of Directors shall appoint a Bay Area Air Quality Management Council (also known as the Advisory Council) to advise and consult with the Board and the APCO on matters referred to it by the Board of Directors or the APCO. Members serve at the pleasure of the Board of Directors and may be removed at any time by a majority vote of the Board of Directors.

4.2 Membership

The Advisory Council shall consist of seven members who are skilled and experienced in the fields of air pollution, climate change, or the health impacts of air pollution, plus one liaison member from the Board of Directors. Advisory Council members shall be selected to include a diversity of perspectives, expertise, and backgrounds. The APCO shall develop position qualifications for serving on the Advisory Council, which shall be approved by the Board of Directors.
