The Bay Area Air Quality Management District

A promotional poster for an event. The background is a night view of a city with lights reflecting on water. In the top left, there are logos for the Bay Area Air Quality Management District and BAYREN. The main text is in a green box, and the event details are in a dark blue box at the bottom left.

 

## Preparing for the Growth of Energy Storage – What Cities Need to Know

Thursday, November 14, 2019  
8:30AM-12:30PM  
San Leandro Zero Net Energy Center  
14600 Catalina St., San Leandro  
[bayrencodes.org/events](http://bayrencodes.org/events)

## ***BayREN and BAAQMD Forum: Preparing for the Growth of Energy Storage***

Energy storage is emerging as a potential solution for power reliability, emergency preparedness, and grid harmonization. What do cities need to know as energy storage becomes more common? This forum will provide a crash course on how storage fits within the overall energy landscape and energy efficiency efforts, as well as practical information and ideas for implementation,

This free forum is open to all. We anticipate an attendance of 75+ professionals representing 20+ local jurisdictions, providing an excellent opportunity for networking. Pastries, fruit, coffee, and tea will be provided.

Thursday, November 14, 2019, 8:30AM - 12:00PM (Breakfast & Networking: 8:30AM - 9:00AM)

San Leandro Zero Net Energy Center, 14600 Catalina Street, San Leandro, CA, 94577

## ***Drive Clean Bay Area and Clean Cars for All Programs***

BAAQMD is pleased to announce support for a new Bay Area EV group purchase program, [Drive Clean Bay Area](#). By participating in this program, residents and fleets use their combined purchasing power to buy down the cost of new EVs. Multiple makes and models are available for discounted prices for all Bay Area residents!

The [Clean Cars for All program](#) is now open to all Bay Area residents! This program provides incentives for low-income Bay Area residents to retire their older vehicle and replace it with a hybrid electric, plug-in hybrid electric, or battery electric car, or to get a Clipper Card for public transit.

To spread the word about these programs in your region, reach out to [rfisher@baaqmd.gov](mailto:rfisher@baaqmd.gov) for outreach materials.

---

## ***BAAQMD Job Opportunity: Senior Environmental Planner***

BAAQMD is seeking at least one Senior Planner to join the District's Air Quality Planning team. This person will focus on the Air District's Community Health Protection Program, including collaborating with community partners in developing and implementing local community air quality plans. The ideal candidate will have experience with community-driven or community-led land use, transportation, or air quality planning and will be able to effectively and sensitively communicate with a broad and diverse variety of stakeholders, including low-income and communities of color.
