GRANT APPLICATION FORM
FY 2009/10 TRANSPORTATION FUND FOR CLEAN AIR REGIONAL FUND

Advanced Technology Demonstration Projects

INSTRUCTIONS
Projects must meet Transportation Fund for Clean Air (TFCA) Regional Fund policies and eligibility criteria approved by the Bay Area Air Quality Management District (BAAQMD) Board of Directors for FY09/10. Application and Guidance can be found at www.baaqmd.gov/tfcaregional. If you have questions about application requirements, please call Michael Neward, Administrative Analyst, (415)749-4703.

Public agency applicants must complete Parts 1 through 7.
Non-public entities must complete Parts 1 through 6.

Electronic versions of the application forms are available at www.baaqmd.gov/tfcaregional.

SUBMITTAL

- Complete Parts 1, 2 and 6 in Microsoft Excel and rename the file so it includes your organization name and specifies Part 1, 2, or 6 (i.e. Organization-PART1.xls). Complete and submit a separate Part 6 for each additional vehicle type and/or infrastructure location. Email the files to grants@baaqmd.gov.
- In addition, submit two (2) hard copies of complete applications (all Parts) and copies of applicable documentation. Applications may be sent by mail and/or hand-delivered to the address listed below.
  
Karen Schkolnick  
District Grant Programs Manager  
Strategic Incentives Division  
BAAQMD  
939 Ellis Street  
San Francisco, CA  94109

Other application materials including Parts 3 – 5 and 7 sent by email and/or by fax will not be accepted.

Please note only complete applications will be reviewed as part of this program.

PART 1. SUMMARY INFORMATION: Complete using the Microsoft Excel spreadsheet posted at www.baaqmd.gov/tfcaregional, and email the file to grants@baaqmd.gov.

PART 2. PROJECT BUDGET: Complete using the Microsoft Excel spreadsheet posted at www.baaqmd.gov/tfcaregional, and email the file to grants@baaqmd.gov.

PART 3. PROJECT DESCRIPTION

A. Project Title: ________________________________________________________________.

B. Type of vehicle-based technology being funded: ________________________________________________________________.

C. List all participating entities and describe each partners’ role in the project (Not to exceed one page).

D. Describe the implementation area for the project (i.e., specific neighborhood or corridor, city, county, etc.).

E. Is the technology currently available or being implemented in the Bay Area (9 County Area)?
   Yes____  No _____

F. Are you a previous recipient of a BAAQMD grant?
   Yes_____  No _____

Page 1
**Instructions:** Responses are limited to fifteen (15) pages maximum (8.5 x 11 inch pages of single-spaced, standard 11-point type with 1-inch margins.) Supporting documentation and biographical sketch are not counted towards the 15 page limit. The Air District may request additional information or documentation during the application review process.

1. **PROJECT INFORMATION:**
   1a. Provide a brief project description (50 words or less).
   1b. Describe the project and deliverables (e.g., expected results and products to be developed and/or tested).
   1c. List all project site location(s).

2. **EMISSION REDUCTIONS** - Provide pre-project and post-project emission reduction estimates for Particulate Matter (PM10), Reactive Organic Gas (ROG), Nitrogen Oxide (NOx) and Greenhouse Gas (GHG), the time period during which emissions reductions will occur and the calculation methodology used for emission estimation.

3. **FEASIBILITY FOR NEAR-TERM COMMERCIALIZATION** - Discuss anticipated performance improvements (technical and operational) of the proposed project vs. current practices. Describe how the project contributes to a shift towards a sustainable alternative fuel and advanced technology vehicle market. Describe the potential for commercialization without additional grant funding.

4. **READINESS** - Describe readiness to proceed with the project; include relevant partnerships, equipment availability, permits and licenses that demonstrate the projects readiness. Identify potential implementation barriers and timely strategies for their resolution.

5. **TIMELINE** – Provide a project schedule that addresses the status and timeline for applicable activities:
   o Design Specifications/Equipment Certification
   o Agreements with partner/vendors
   o Permitting/Environmental Review
   o Fueling Infrastructure Installation/Construction
   o Equipment Ordered/Procured/Delivered/Placed into service
   o Infrastructure Site Improvement/Construction
   o Training/Education/Marketing/Outreach Activities
   o Equipment Data Collection Phase
   o Duration of Project Implementation or Project Specific Milestones
   o Project Completion

6. **JOBS** - Describe jobs created or preserved as a result of this project in the Bay Area and in California. Also include local labor opportunities after project completion/full implementation.

7. **QUALIFICATIONS** – Briefly describe qualifications and experience of all identified key personnel in areas relevant to the proposed work, and degree of success achieved in conducting projects of similar scope. Additionally provide a biographical sketch for up to 7 senior/key team members. The biographical information for each person must be limited to 2 pages and should include education and training, research and professional experience, publications, and synergistic activities.

8. **ADDITIONAL REQUIREMENTS:**
   - As necessary, provide written commitments from project partners and suppliers. Include letters documenting technical and/or financial support and/or site availability from all team partners and site owners.
   - Projects that are selected for award will be required to submit a draft outline of a final report to be turned in at the end of the project. Final Reports will describe project outcomes, including emission reductions obtained through testing, and future phases of the project if applicable.
PART 4. PROJECT INFORMATION (PROVIDE DOCUMENTATION AS NOTED):

FOR ALL PROJECTS:

A. Have you attached the required signed Letter of Commitment or Resolution? ___ ___
   authorizing the submittal of your grant application and identifying the individual authorized
to submit and carry out the proposal?

B. Have you attached documentation to substantiate matching funds that will be applied to
   the project? ___ ___

C. Will the project directly benefit Sensitive and PM Impacted Communities? (See
   Grant Application Guidance, Evaluation Criterion #5)

   Please use the Priority Community map to identify which impacted communities this project would operate in, and
   indicate the percentage of time the project will operate in each highly impacted community in the table below. A
   link to the map is available at www.baaqmd.gov/tfcaregional. (Use the “zoom in” tool on the electronic version to
   enlarge the map to best identify boundaries and zone numbers.) Note: BAAQMD staff may request that the grant
   applicant provide documentation to verify the information provided below.

D. Will the project operate in an officially designated Planned or Potential Priority
   Development Area (PDA)? (See Grant Application Guidance, Evaluation
   Criterion #6,) To receive points, you must fill in the table below.

   For each of the Types of PDAs on the PDA map, indicate the percentage of the time your project will operate in
   that PDA and identify the number/letter code of the PDA found on the map. A link to the map is available at
   www.baaqmd.gov/tfcaregional. (Use the “zoom in” tool on the electronic version to enlarge the map to best
   identify boundaries and PDA codes. For boundaries that are not clearly identifiable, use your best judgment as to
   which PDA your project operates in) Note: BAAQMD staff may request that the grant applicant provide
   documentation to verify the information provided below.

PART 5. CERTIFICATION AND SURVEY

Applicant must read and initial each applicable item below to indicate understanding and agreement:

I understand that this application is for evaluation purposes only and does not guarantee project funding.
Initial: __________

I certify that the proposed project and the emission reductions that would be realized from it are not required by any federal, state or local regulation, judicial order, agreement, memorandum of understanding, contract, mitigation requirement, or other binding obligation that requires the project applicant to implement any portion of the project that would be funded by the Air District under the TFCA program.
Initial: __________

I certify that this application is for equipment/vehicle(s)/engine(s) that have not already been funded, nor are currently under consideration for funding by another air district, the Department of Energy (DOE), the California Energy Commission (CEC), the California Air Resources Board (ARB) or by another public agency. Please note that some projects may not be eligible for funding from TFCA if they are receiving funding from other government agencies.

PART 6.  PROJECT TYPE-SPECIFIC INFORMATION  Complete using the Microsoft Excel spreadsheet posted at www.baaqmd.gov/tfcaregional, and email the file to grants@baaqmd.gov

Applicants should complete a separate Part 6 for each vehicle type(s) and/or infrastructure location(s). Below is a brief summary describing which Part 6 project sponsors should use when completing the Advanced Technology Demonstration application.

Part 6: Advanced Demonstration Heavy/Medium Trucks: Applicable for projects that will test and/or implement new technologies utilized by Heavy Duty vehicles.

Part 6: Advanced Demonstration Utility Vehicle (Low Mileage/High Idling): Applicable for Heavy Duty vehicle projects that have higher rates of fuel consumption such as garbage or utility trucks.

Part 6: Advanced Demonstration Infrastructure: Applicable for projects that will demonstrate or test the use of advanced technology infrastructure.

Part 6: Advanced Demonstration Light Duty Vehicles: Applicable for projects that will test and/or implement new technologies utilized by light duty passenger vehicles and/or trucks.
PART 7. CLEAN AIR POLICIES AND PROGRAMS  
(FOR PUBLIC AGENCIES ONLY, EVALUATION CRITERION #4, MAXIMUM OF 10 POINTS)

The table below shows which types of agencies may earn credit for implementing certain TCMs.

To obtain a full description of the TCMs, visit [www.baaqmd.gov/Divisions/Planning-and-Research/Plans/Bay-Area-Ozone-Strategy.aspx](http://www.baaqmd.gov/Divisions/Planning-and-Research/Plans/Bay-Area-Ozone-Strategy.aspx) and see Volume 2, Appendix D - Transportation Control Measure Descriptions on that website.

For each applicable TCM that your agency implements, provide a brief paragraph (not to exceed 100 words) describing: 1) the policies and actions that your agency has adopted in order to implement the TCM; and 2) current progress in implementing those policies and actions.

Additional documentation is not required at the time of submittal - Air District staff will notify you if supporting documentation is required.
