

GUIDANCE FOR PARTNERING WITH COMMUNITY-BASED ORGANIZATIONS TO DEPLOY PORTABLE AIR CLEANERS

01

IDENTIFY THE NEIGHBORHOOD

Use CalEnviroScreen 4.0 Top 30% to identify historically underserved communities

IDENTIFY MOST VULNERABLE POPULATION

Who are at most risk from wildfire smoke or other smoke events in neighborhood (e.g. children, seniors, etc.)

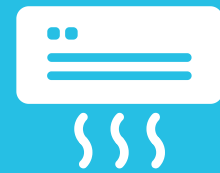

02

PARTNER WITH LOCAL CBO

Enter into an agreement and order portable air cleaners and replacement filters from Air District.

03

PROVIDE TECHNICAL GUIDANCE

Use "Partner Playbook" to help CBO with running and operating Clean Air Center.

04

COMPLETE REPORTING REQUIREMENTS

Use tool (e.g. google forms, word, etc.) to compile annual report for submission by County to the Air District.

05
