Climate Tech Network Meeting: Energy Storage and Resiliency

August 27, 2019

10:00 a.m. to 12:30 p.m.

Bay Area Metro Center, Yerba Buena Conference Room

375 Beale Street, San Francisco, CA 94105

Meeting Objectives:

- Build understanding of the Climate Tech Finance Program by discussing program purpose and the broader mission.
- Discuss the PG&E Wildfire Mitigation Plan including planned electrical outages in California.
- Discuss energy storage and resiliency implementation case studies.
- Build awareness of technologies that support energy storage and resiliency implementation and connect technology companies with prospective customers.
