

Bay Area Air District Carl Moyer Program On-Road Dealership Training

Training Certification

I certify that I have reviewed and completed the provided mandatory Carl Moyer Program (CMP) On-road Dealership Training. I understand that this training is required by the Bay Area Air District to meet the Program requirements of the Carl Moyer Program for on-road equipment and that, as a certified dealership, I am responsible for understanding and following Program requirements as outlined in training materials and in the Memorandum of Understanding (MOU) signed with the Air District.
