Bay Area Air District

CHARGE!

CHARGE! PROGRAM
ELECTRIC VEHICLE INFRASTRUCTURE TRAINING PROGRAM (EVITP) AFFIDAVIT

California Public Utilities Code 740.20 states that: 1) all electric vehicle charging infrastructure and equipment shall be installed by a contractor with the appropriate license classification, as determined by the Contractors' State License Board, and at least one electrician on each crew, at any given time, who holds an Electric Vehicle Infrastructure Training Program (EVITP) certification, and 2) projects that install a charging port supplying 25 kilowatts or more to a vehicle have at least 25 percent of the total electricians working on the crew for the project, at any given time, who hold EVITP certification.

By signing this affidavit, the Project Sponsor attests under penalty of perjury under State of California law that the charging infrastructure installed using Bay Area Air Quality Management District (Air District) *Charge!* Program funding, Project #:_____, complies with California Public Utilities Code 740.20.
