

BAAQMD Charge! Program - Voluntary Matrix of Interested Partners

This document is a voluntary interested participant matrix designed to help with the coordination of applications/ projects. Interested parties (technology providers, installers and potential applicants) looking for project partners can be added to this list by emailing climatetech@baaqmd.gov with a request to be added and authorization to share their contact information. We'll update this list as we get new requests.

Applications must be submitted online at www.baaqmd.gov/charge by **4:00 PM Pacific Standard Time on March 18, 2021**. Applications received after March 18, 2021 may be rejected and not scored.

Program website: www.baaqmd.gov/charge
